New Music and the Crises of Materiality Samuel Wilson,2021-07-04 This book explores the transformation of ideas of the material in late twentieth and early twenty first century musical composition New music of this era is argued to reflect a historical moment when the idea of materiality itself is in flux Engaging with thinkers such as Theodor Adorno Sara Ahmed Zygmunt Bauman Rosi Braidotti and Timothy Morton the author considers music s relationship with changing material conditions from the rise of neo liberalisms and information technologies to new concepts of the natural world Drawing on musicology cultural theory and philosophy the author develops a critical understanding of musical bodies objects and the environments of their interaction Music is grasped as something that both registers material changes in society whilst also enabling us to practice materiality differently

*Music in Modern Japanese and Hebrew Literatures* Shirah Malka

Cohen,2025-05-06 Music in Modern Japanese and Hebrew Literatures examines the place of classical music in early 20th century Japanese and Hebrew literatures As this book shows both Japanese and Hebrew writers of the period made use of Western classical music in their novels and short stories in order to explore issues of belonging cultural and literary identity and artistic integrity Hence by analysing the appearance of such music in the writing of Japanese writers such as Nagai Kaf Shiga Naoya and Uchida Hyakken and Hebrew writers such as Leah Goldberg Gershon Shofman and Yaakov Horowitz this book sets an intriguing narrative of writers interaction with a modernizing world and their struggles to make sense of multitudes of cultural influences Through such struggles these Japanese and Hebrew writers created unique visions of literature that constitute this book argues a cosmopolitan literary sphere In looking into these matters this book aims to recontextualize the place of Japanese and Hebrew literatures of the early 20th century in relation to each other as well as European culture and to create a new and exciting approach to the study of World Literature

The Cambridge Companion to Electronic Music Nicholas Collins,Julio d'Escrivan,Julio d' Escrivan Rincón,2017-11-09 Now updated and expanded with

**Sonic Writing** Thor Magnusson,2019-02-21 Sonic Writing explores how contemporary music technologies trace their ancestry to previous forms of instruments and media Studying the domains of instrument design musical notation and sound recording under the rubrics of material symbolic and signal inscriptions of sound the book describes how these historical techniques of sonic writing are implemented in new digital music technologies With a scope ranging from ancient Greek music theory medieval notation early modern scientific instrumentation to contemporary multimedia and artificial intelligence it provides a theoretical grounding for further study and development of technologies of musical expression The book draws a bespoke affinity and similarity between current musical practices and those from before the advent of notation and recording stressing the importance of instrument design in the study of new music and projecting how new computational technologies including machine learning will transform our musical practices Sonic Writing offers a richly illustrated study of contemporary musical

media where interactivity artificial intelligence and networked devices disclose new possibilities for musical expression Thor Magnusson provides a conceptual framework for the creation and analysis of this new musical work arguing that contemporary sonic writing becomes a new form of material and symbolic design one that is bound to be ephemeral a system of fluid objects where technologies are continually redesigned in a fast cycle of innovation
