**OBJECTIVE**  
This section should present a quick summary of your experience, training, and highlight relevant skills for the medical role you're seeking. Many hiring managers and recruiters on average only spend a few seconds to review your CV the first time. Your primary aim at this point is to determine whether your application should be considered further. Think of this objective section as a place for a short, concise paragraph that tells them that you're the right fit for the position.
