Becoming a Public Benefit Corporation Michael B. Dorff , J.D., 2023-11-21 There are now over 10 000 benefit corporations and public benefit corporations in the United States including at least fifteen public companies This is the authoritative guide for leaders advisors and board members Entrepreneurs and leaders often have an inspiring vision for how their business can not only make money for shareholders but also benefit society In recent years a new legal structure has emerged the Benefit Corporation or Public Benefit Corporation which helps organizations
