This book covers the basics of these technologies and how they are changing the way we interact and do business online. It provides an in-depth look at the various ways to earn through digital realities including virtual real estate, NFTs, and decentralized finance. Whether you're a complete newcomer to the world of blockchain and cryptocurrency or a seasoned pro, this ebook will give you a solid understanding of how to navigate this rapidly evolving landscape and take advantage of the many earning opportunities it presents.

**Basic Metaverse** David Shrier, 2023-06-08 What is the metaverse? Quite simply, it's a digital platform to help people collaborate, work, and play in new ways in an immersive 3D environment. In **Basic Metaverse**, leading futurist David L. Shrier explains how the technology works, unpacks its potential uses, including its relationship to the development of Web3, and its impact on everyday life and work. He explores some of the legal and moral quandaries that could accompany widespread adoption of this transformational technology, from issues of wealth disparity and access to what happens if your virtual avatar commits a crime in the metaverse. The metaverse future is full of possibility. One thing we can be certain of is that it will be stranger than we can imagine. Join Shrier as he journeys across virtual worlds in search of understanding.
