Hockey Fight in Canada David Shoalts, 2018-09-29 In late 2013 Canadians were intrigued to learn the NHL chose Rogers as its exclusive national broadcaster over both CBC and Rogers's bitter rival Bell Canada The decision was met with equal parts fascination shock and anger When CBC rank and file employees came to believe their leaders missed a chance to hold on to at least a part of Hockey Night in Canada a move that could have saved some of their jobs their disappointment turned to outrage This is also a story of great irony as the win proved to be costly for the victor in the first years When Rogers sealed the 5.2 billion twelve year deal it looked like the audacious play might just pay off The Toronto Maple Leafs with the biggest fan base in the country appeared ready to shake off years of mediocrity and become playoff contenders drawing legions of fans to Rogers's broadcasts in the process In anticipation Rogers gave Hockey Night in Canada a facelift bringing in hip George Stroumboulopoulos to replace veteran host Ron MacLean However in January 2014 the Maple Leafs crashed hard and so did the ratings for Hockey Night in Canada It was crushing news for Rogers with cable cutting already shaping into an existential threat On top of everything Strombo bombed as host and the network had to bring MacLean back Then things got even worse by the middle of the 2015-16 season the rest of the seven Canadian NHL teams missed the playoffs and ratings fell further chasing away even more advertising dollars Simultaneously viewing habits were changing so quickly no one could predict what would happen next year let alone in the next decade Shoalts covers this story from the beginning and Hockey

The Down Goes Brown History of the NHL Sean McIndoe, 2018-10-30 Sean McIndoe of Down Goes Brown one of
hockey's favourite and funniest writers takes aim at the game's most memorable moments especially if they're memorable for
the wrong reasons in this warts and all history of the NHL The NHL is indisputably weird One moment you're in awe of the
speed skill and intensity that define the sport shaking your head as a player makes an impossible play or shatters a
longstanding record or sobs into his first Stanley Cup The next everyone's wearing earmuffs Mr Rogers has shown up and
guys in yellow raincoats are officiating playoff games while everyone tries to figure out where the league president went That
's just life in the NHL a league that often can't seem to get out of its own way No matter how long you've been a hockey fan
you know that sinking feeling that maybe just maybe some of the people in charge here don't actually know what they're
doing And at some point you've probably wondered Has it always been this way The short answer is yes As for the longer
answer well that's this book In this fun irreverent and fact-filled history Sean McIndoe relates the flip side to the National
Hockey League's storied past His obsessively detailed memory combines with his keen sense for the absurdities that make
you shake your head at the league and yet fanatically love the game allowing you to laugh even when your team is the butt of
the joke and as a life-long Leafs fan McIndoe takes the brunt of some of his own best zingers The Down Goes Brown History
of the NHL is the weird and wonderful league's story told as only Sean McIndoe can
