## At Home and Out and About

If your child is learning phonics at school, you might want to support them at home by finding out what to do.

You might be the first to find out what phonics is the next time you're at school, but you need to be sure that you're supporting your child's learning. Here are some ways to help your child practise their phonics skills at home.

If you are not sure what phonics means, here are some things you can do to help your child practise their phonics skills at home:

### At Home

Ask your child to read words from books and magazines. Encourage them to sound out each word and then blend the sounds together to read the word. If your child finds this difficult, encourage them to use their phonics knowledge to help them.

### Books

Encourage your child to read books that they are interested in. If they are reading a book that they are not interested in, encourage them to read it anyway.

### Top Tip
