Book Description: Roblox is a huge entertainment platform like no other for both playing and creating games. With over 200 million monthly active users, Roblox has enabled new and experienced developers to create successful games often called experiences that can be played globally at no cost. *Coding Roblox Games Made Easy* 2nd Edition builds a solid foundation of the concepts you need to embark on the journey of building two end-to-end games in Roblox in increasing order of complexity. For the first game, you will create obstacles and traps for an obstacle course game lobby and overcome them to win the game alongside other players and earn rewards. In the next game, you will manage player avatars, their weapons, a battlefield, and add programming logic for the players to find their weapons and fight with a reward for the last player standing. Finally, you'll delve into the logistics of game production, focusing on optimizing your game's performance by implementing impressive mechanics, monetization, and marketing practices. We will also discuss how the Metaverse is set to change the dynamics of user experience and what the future holds for Roblox game developers. Let's create and share experiences through play.

What You Will Learn:

- Understand how to use Roblox Studio and other free resources.
- Learn how to code in Luau basics, game systems, physics manipulation, etc.
- Test, evaluate, and redesign to create bug-free and engaging games.
- Use Roblox programming and rewards to make your first game.
- Move from a lobby to a battleground.
- Build avatars and create weapons with which to fight.
- Master the three Ms: Mechanics, Monetization, Marketing.
