Back To School Deals Today Customer Service:

Keys to Terrific Customer Service (paperback) Laurence Hatch, 2008-09-14 Keys to Terrific Customer Service is not just a motivational book like hundreds of other customer service books on the market. It is a serious textbook that analyzes all aspects of customer satisfaction trends in modern high tech service delivery and new concepts of measuring customer wants and needs. KTTCS is an ideal inspirational resource for any small business owner, customer service manager, quality assurance specialist, service process planner, customer relations supervisor, or business consultant. Over 165 topics are covered in remarkable detail with clear examples and action plans. *Careers in Focus Facts on File*, 2009 Explores twenty careers in sales including educational or training requirements, ways to get started, advancement possibilities, salary figures, and more. **Expanding Customer Service as a Profit Center** Rob Reider, 2012-07-20 Striving for excellence in customer service is to gain the competitive advantage. It is the keystone for the business to grow and prosper in the right direction so that it builds through repetitive sales to existing customers and referrals to potential customers. If you were to look at customer service in your organization as a major business component and all customers are treated with excellence prior to the sale, during the sale, and after the sale, customer service will become a profit center that builds sales dollars to the top line and real profits to the bottom line. This book can help you and any organization manager achieve customer service excellence with its basic principle of doing the right thing at the right time for the right customers. It can also assist in building organizations with strong customer bases and sales loyalty. The author smartly gives you real practical how-tos in providing excellent customer service in all aspects of your operations by doing the right thing despite the counter pressure within your organization. As many businesses are struggling to be competitive or merely to survive, this book is your primer or how-to for identifying and maintaining customer service excellence in all operational areas on the path to developing a learning organization. No matter what type of business, this book can be a learning, coaching, and mentoring tool in your quest to make the delivery of customer service the best possible in today's ever-changing business environment. **Web Designer's Idea Book, Volume 4** Patrick McNeil, 2014-10-17 Discover the latest trends in web design.
