Agile Application Security Laura Bell, Michael Brunton-Spall, Rich Smith, Jim Bird, 2017-09-08 Agile continues to be the most adopted software development methodology among organizations worldwide but it generally hasn't integrated well with traditional security management techniques. And most security professionals aren't up to speed in their understanding and experience of agile development. To help bridge the divide between these two worlds this practical guide introduces several security tools and techniques adapted specifically to integrate with agile development. Written by security experts and agile veterans this book begins by introducing security principles to agile practitioners and agile principles to security practitioners. The authors also reveal problems they encountered in their own experiences with agile security and how they worked to solve them. You'll learn how to Add security practices to each stage of your existing development lifecycle. Integrate security with planning requirements design and at the code level. Include security testing as part of your team's effort to deliver working software in each release. Implement regulatory compliance in an agile or DevOps environment. Build an effective security program through a culture of empathy openness transparency and collaboration

Strategic Management John A. Parnell, 2013-01-15 Balancing theory with practice this fully updated fourth edition of John A Parnell's acclaimed text continues to provide detailed accessible coverage of the strategic management field. Taking a global perspective the text addresses concepts sequentially from external and internal analysis to strategy formulation strategy execution and strategic control. To help readers build their analytic skills as they master course concepts Parnell aligns each chapter's key concepts with 25 case analysis steps. Current examples and high interest cases largely drawn from The Wall Street Journal and Financial Times illustrate the key role of strategic management in the United States and around the world. Ideal for the capstone strategic management course Strategic Management is appropriate for a range of undergraduate and graduate courses

Hacking Digital: Best Practices to Implement and Accelerate Your Business Transformation Michael Wade, Didier Bonnet, Tomoko Yokoi, Nikolaus Obwegeneser, 2021-09-28 Improve your business performance through digital transformation. Digital transformation has become commonplace across public and private sector organizations and yet most struggle to achieve tangible results from it. Many make avoidable mistakes or fall into simple traps along the way. Written by a team of global digital transformation thought leaders Hacking Digital provides practical advice and information that you need to successfully transform your organization. Hacking Digital is organized into six easy to follow sections: Initiating Your Digital Transformation, Setting Up the Right Organizational Dynamics, Working with the Outside World, Creating Value in New Ways, Leading People and Organizations, Anchoring and Sustaining Performance. How do you create a sense of urgency? How

do you set up digital governance How do you create successful digital offerings How do you manage the relationship between digital transformation and IT How do you scale digital initiatives Hacking Digital answers these and many other questions you need to transform your organization and seize a competitive edge for years to come www.hackingdigital.org **Etsy Shop** Cassie Azad,2021-03-02 Etsy has more than 1.7 million active sellers worldwide selling more than 40 million vintage or handmade items from clothing to crafts to tech accessories You could certainly conclude that Etsy has something for everyone That's a good thing because with some 27 regular million buyers the audience is huge Beyond sellers words of wisdom this book offers a roadmap all sellers can follow in order to Choose keywords and tags to drive traffic to your shop Photograph your products for maximum appeal Create a unique shop that stands out Write winning product descriptions Price your goods appropriately Market your products effectively on social media platforms Maintain lasting relationships with your customers Diversify your product offerings

The Dialectic of Digital Culture David Ardit, Jennifer

Miller,2019-08-01 This edited collection analyzes the role of digital technology in contemporary society dialectically While many authors journalists and commentators have argued that the internet and digital technologies will bring us democracy equality and freedom digital culture often results in loss of privacy misinformation and exploitation This collection challenges celebratory readings of digital technology by suggesting digital culture's potential is limited because of its fundamental relationship to oppressive social forces The Dialectic of Digital Culture explores ways the digital realm challenges and reproduces power The contributors provide innovative case studies of various phenomenon including metoo Etsy mommy blogs music streaming sustainability and net neutrality to reveal the reproduction of neoliberal cultural logics In seemingly transformative digital spaces these essays provide dialectical readings that challenge dominant narratives about technology and study specific aspects of digital culture that are often under explored Check out the blog for more <http://blog.uta.edu/digitaldialectic>
