With the introduction of iOS5 many security issues have come to light. This book explains and discusses them all. The award winning author team experts in Mac and iOS security examines the vulnerabilities and the internals of iOS to show how attacks can be mitigated. The book explains how the operating system works, its overall security architecture and the security risks associated with it as well as exploits, rootkits and other payloads developed for it. Covers iOS security architecture, vulnerability hunting, exploit writing and how iOS jailbreaks work. Explores iOS enterprise and encryption, code signing and memory protection, sandboxing, iPhone fuzzing, exploitation, ROP payloads and baseband attacks. Also examines kernel debugging and exploitation. Companion website includes source code and tools to facilitate your efforts. iOS Hacker's Handbook arms you with the tools needed to identify, understand and foil iOS attacks

Customer Service for Hospitality and Tourism Simon Hudson, Louise

Hudson, 2012-11-02 Customer service is of critical importance for the tourism and hospitality sector now more than ever before as customers are looking to increase value for money and are less forgiving of mediocre service. However, despite its importance, quality customer service is the exception rather than the norm in many parts of the world. Customer Service for Hospitality and Tourism is a unique text and vital to both students and practitioners as it explains not only the theory behind the importance of customer service but also acts as a guidebook for those wishing to put this theory into practice. In essence, it is the whys and hows of customer service. It is easy to read, very current and full of references to all the latest research from both academic and practitioner literature. Chapters cover important topics such as the financial and behavioural consequences of customer service, consumer trends influencing service, developing and maintaining a service culture, managing service encounters, the importance of market research, building and maintaining customer relationships, providing customer service through the servicescape, the impact of technology on customer service, the importance of service recovery and promoting customer service internally and externally. Key features include An At Your Service Spotlight at the beginning of each chapter, which focuses on the achievements of successful individuals related to the art of customer service. Each chapter contains a Service Snapshot, short real life cases to illustrate a particular concept or theoretical principle presented in the chapter. Detailed international Case Studies which cover a variety of sectors, organizations and regions, designed to foster critical thinking, the cases illustrate actual business scenarios that stress several concepts found in the chapter. They analyze

Understanding Entrepreneurship in Sub-Saharan Africa Jean Kabongo, Simon Sigué, James Baba Abugre, 2024-03-25 This edited volume provides a comprehensive and up to date understanding of the challenges and opportunities facing entrepreneurs in sub Saharan Africa. It adopts a venture ship approach emphasizing the dynamic and uncertain nature of entrepreneurship and underscoring the need for entrepreneurs to continually innovate and adapt to evolving conditions. It encompasses a broad spectrum of themes covering the cultural institutional and economic contexts in which entrepreneurial endeavors unfold. It also discusses the role of technology and innovation as well as financing and investment in addition to the impact of entrepreneurship on economic development and social change. The chapters span diverse subject matter including topics ranging from the cultivation of entrepreneurial culture and the influence of educational systems to the ramifications of political and economic frameworks on entrepreneurial expansion. Additionally it addresses the significance of social entrepreneurship, the burgeoning presence of female entrepreneurs, the transformative effects of digitalization and the consequences of regional and international collaborations. They encapsulate the insights and perspectives of an array of stakeholders including researchers, scholars, entrepreneurs, investors and policymakers who have actively engaged with the entrepreneurial landscape in sub Saharan Africa. Bringing together contributions from a diverse group of scholars and practitioners this book offers an original multidisciplinary and pragmatic vantage point on entrepreneurship within the region. It not only enriches the existing body of literature but also serves as a catalyst for further research and scholarly discourse among entrepreneurship researchers.
