You have questions. Let's cut right to the chase. This book, *How to Be a Lyft and Uber Driver: The Unofficial Driver's Manual*, doesn't waste any time repeating content found on the Uber and Lyft websites. This first-of-a-kind book documents everything the author wished he knew before his first trip as a Lyft and Uber driver. All of *How to Be a Lyft and Uber Driver: The Unofficial Driver's Manual* content is dedicated to helping you have a successful rideshare driving business earning maximum income with no stress. There are other rideshare driving books on Amazon. Why buy this book? For that matter, why buy a book at all? Why not just go to the Uber/Lyft website, sign up, qualify, then go out and drive? From the author: If rideshare driving is such a great gig, then why do 50% of new drivers quit less than 30 days after their first trip as a driver? At the end of a year, over 90% have stopped being a rideshare driver. An even better reason to buy this book comes from a 2018 research report from Stanford University Graduate School of Business showing that rideshare drivers with over 2,500 lifetime trips earn on average 14% more compared to new drivers. After reading this book, you'll know at least as much as a driver with 2,500 trips, meaning you'll earn more than enough to pay for the small cost of this book soon after you get out on the road and start completing your own trips. *How to Be a Lyft and Uber Driver: The Unofficial Driver's Manual* is well-researched and professionally written, thanks in part to the author's 15 years experience in corporate America as a data analyst, technical writer, training content developer, as well as a technical training presenter and training coach. Wylee Post's professional profile on LinkedIn: www.linkedin.com/in/wyleepost. The content of *How to Be a Lyft and Uber Driver: The Unofficial Driver's Manual* is drawn from the author's real world experiences driving for Uber and Lyft in Denver, Colorado since April of 2016 and completing over 13,000 trips as a driver. This book, *How to Be a Lyft and Uber Driver: The Unofficial Driver's Manual*, and the companion book, *Driving for Uber and Lyft: How Much Can Drivers Earn?* provide the previously missing rideshare driver Employee Success Manuals and they are laser-focused on helping new and existing drivers realize the claim of rideshare driving being "The Ultimate Side Gig."
