Ncaa Football Today:

The End of College Football Nathan Kalman-Lamb, Derek Silva, 2024-10-04 In this book Nathan Kalman Lamb and Derek Silva offer an existential challenge to one of America's favorite pastimes college football Drawing on twenty five in depth interviews with former players from some of the country's most prominent college football teams Kalman Lamb and Silva explore how football is both predicated on a foundation of coercion and suffused with racialized harm and exploitation Through the stories of those who lived it the authors examine the ways in which college football must be understood as a site of harm revealing how players are systematically denied the economic value they produce for universities and offered only a devalued education in return By illuminating the plantation dynamics that make college football a particularly racialized form of exploitation the book makes legible the forms of physical sacrifice that are required the ultimate cost in health and well being and the coercion that drives players into the sport and compels them to endure such abusive conditions

Introduction to Intercollegiate Athletics Eddie Comeaux, 2015-03 Intercollegiate athletics continue to bedevil American higher education This book explores the complexities of intercollegiate athletics while explaining the organizational structures key players terms and important issues relevant to the growing fields of recreational studies sports management and athletic administration

Touchdown Gerald R. Gems, Gertrud Pfister, 2017-09-30 American football is the most popular and controversial sport in the United States and a massive industry The NFL's revenues are over 13 billion annually The Super Bowl is watched by half of US television households and is televised in over 150 countries Touchdown An American Obsession is the first comprehensive guide to the history and culture of the sport covering US college football as well as professional football worldwide The editors and authors are among the world's leading sports scholars They cover race ethnicity religion gender social class and globalization as well as recent scandals and controversies the importance of television and the art and aesthetics of the game Touchdown An American Obsession is a readable authoritative guide for Americans as well as an introduction for people around the world

USA Today Index, 1996 The History of American College Football Christian Anderson, Amber Fallucca, 2021-05-19 This volume provides unique insight into how American colleges and universities have been significantly impacted and shaped by college football and considers how U S sports culture more generally has intersected with broader institutional and educational issues By documenting events from the nineteenth and twentieth centuries including protests legal battles and policy reforms which were centred around college sports this distinctive volume illustrates how football has catalyzed broader controversies and progress relating to race and diversity commercialization corruption and reform in higher education Relying foremost on primary archival material chapters illustrate the continued cultural social and economic themes and impacts of college athletics on U S higher education and campus life today This text will benefit researchers graduate students and academics in the fields of higher education as well as the history of education and sport more broadly Those interested in the sociology of education and the
