plan Most recipes are portioned for 4 6 servings which means you ll be eating the same thing for a week or trying to adjust recipes and struggling to figure out proper cooking times and fractions of measurements With keto you also have the additional challenge of balancing your macronutrients a few too many carbs or not enough fat and your recipe is no longer in the ketogenic zone No more fussing with recipes No more eating leftovers No more wasted food or money No more cobbling together snacks and calling it a meal No more temptation to give into carb laden nutrient void single serving convenience foods Just delicious recipes from low carb queen and best selling author Dana Carpender Enjoy delicious keto burgers and smoothies as well as quick skillet stir fries and plenty of tasty meals that can be pulled together quickly or ahead of time
