## Personal Update Letter

May 12, 2050

Dear Family and Friends,

I hope you're all doing well! It's been a while, so I wanted to share a quick update about what's been happening in my life.

This year has been exciting. I started a new job at GreenTech Futures, working on sustainability projects that I'm passionate about. I've also moved to Solar Springs, a city powered entirely by renewable energy—it's been a great place to call home.

The family is doing great too! We recently celebrated Maria's 60th birthday with a virtual reality party, which brought back so many fun memories. Our dog Astro is as active as ever, enjoying his walks thanks to some cool tech upgrades.

Looking ahead, I'm planning a trip to Europa Station, an underwater research center. It's something I've always dreamed of, and I can't wait to explore the marine life there. I've also started hydroponic gardening at home, which has been a fun and relaxing new hobby.

I'd love to hear what's new with all of you! Please feel free to reach out—I miss catching up.
