Applied Marketing Daniel Padgett, Andrew Loos, 2023-10-03 Applied Marketing 3rd Edition is a comprehensive yet concise modern marketing course that blends solid academic theory with practitioner experience to help students master the core concepts develop a practical understanding of how to apply marketing principles and gain perspective on how top marketers operate in today's business world Co authors Dan Padgett an academic and Andrew Loos a practitioner blend solid academic theory and agency owner experience to offer students an insider's view of marketing by bridging the gap between marketing principles taught in the classroom and those same principles as applied by business professionals Taking a student centric approach by using digital assets to teach students as well as having students use digital resources for learning encourages students to develop their critical thinking skills by applying core concepts to real world scenarios New Money

Lana Swartz, 2020-05-01 A new vision of money as a communication technology that creates and sustains invisible often exclusive communities One of the basic structures of everyday life money is at its core a communication media Payment systems cash card app or Bitcoin are informational and symbolic tools that integrate us into or exclude us from the society that surrounds us Examining the social politics of financial technologies Lana Swartz reveals what's at stake when we pay This accessible and insightful analysis comes at a moment of disruption from fin tech startups to cryptocurrency schemes a variety of technologies are poised to unseat traditional financial infrastructures Swartz explains these changes traces their longer histories and demonstrates their consequences Getting paid and paying determines whether or not you can put food on the table She shows just how important these invisible systems are The data that payment produces is uniquely revelatory and newly valuable New forms of money create new forms of identity new forms of community and new forms of power

*Social Media and Mobile Marketing Strategy* Randi Priluck, 2016-08 Social Media and Mobile Marketing Strategy is the first digital media marketing textbook to combine social media and mobile technology with digital marketing strategy planning It provides a framework that guides students in setting objectives segmenting and researching potential markets examining consumer behavior in the digital market space and using measurement plans to evaluate success and failure Working from a strong foundation in marketing theory this text presents a clear set of processes for executing social media and mobile strategies in order to build brand value **Tokens**

Rachel O'Dwyer, 2023-10-03 Longlisted for the FT Schrodgers Business Book of the Year Award 2023 A BEST BOOK OF THE YEAR GQ Los Angeles Times Wired Wherever you look money is being replaced by tokens Digital platforms are issuing new kinds of money like things phone credit shares gift vouchers game tokens customer data the list goes on But what does it mean when online platforms become the new banks What new types of control and discrimination emerge when money is tied to specific apps or actions politics or identities Tokens opens up this new and expanding world Exploring the history of extra monetary economies Rachel O'Dwyer shows that private and grassroots tokens have always haunted the real economy But as the large tech platforms issue new money like instruments

tokens are suddenly everywhere Amazon's Turk workers are getting paid in gift cards Online streamers trade in wishlists Foreign remittances are sent via phone credit Bitcoin gift cards NFTs customer data and game tokens are the new money in an evolving economy It is a development challenging the balance of power between online empires and the state Tokens may offer a flexible even subversive route to compensation But for the platforms themselves they can be a means of amassing frightening new powers An essential read for anyone concerned with digital money inequality and the future of the economy
