Life Makeover Dominique Sachse, 2022-04-05 Have you ever been so overwhelmed by responsibilities or other people's needs that you forgot to make time for yourself? They say beauty is only skin deep but there is power in embracing your outward beauty as the first step in living with internal boldness, confidence, and renewed joy. An outside-in approach to beauty isn't for other people's perception of you but for your interpretation of yourself and how much you're willing to explore. Sachse has confirmed the unmistakable link between external appearance and self-confidence and she wants to show you how to rekindle both. In the pages of this book, Sachse offers a vulnerable look into her own mistakes and imperfections and explains how making over her outward appearance resulted in a happier and healthier version of herself emotionally, spiritually, and physically. Filled with confidence-boosting wisdom about cultivating rest and life-giving hobbies, Sachse shows you how making small changes to your outward appearance can be a pathway to building confidence and making other new transformations in your life. Practical tips about hair, makeup, and fashion from an expert, the benefits of taking bold risks, your life is too valuable to be left on autopilot, how to analyze your past and see where you self-sabotaged, and look for traits that served you well and can serve you in the future. Sachse knows no amount of makeup can compare to the look of a confident, classy, and kind woman and that there's nothing like the glow that comes from inner beauty. It's time to discover or rediscover who you really are and live your life to the fullest.

Intermittent Fasting Charlie Mason, 2020-11-21 If you need to lose weight look great reduce inflammation boost your immunity or a myriad of other benefits then you should consider one of the various intermittent fasting methods There are different forms of intermittent fasting so if you want to fast responsibly then you should find the type of fasting that suits you best For instance there is the 16 8 fasting where you fast for 16 hours and then eat your meals within the remaining 8 hours Then there is the alternate day fast where you fast on one day and eat normally the next You may also choose the extended fast where you fast for a longer period of time such as 8 days or more Traditional fasting has proven to be ineffective with many people unable to cope with the tough requirements Ordinarily people would fast from dawn to dusk for probably an entire month having to endure days on end without proper meals Then once the benefits of fasting are achieved they would resume normal life only for the problems to creep back again This can be very frustrating Fortunately intermittent fasting solves this challenge Rather than go through lengthy periods of fasting all you need to do is identify the most suitable intermittent type of fasting For instance you may choose the 16 8 format where you go for 16 hours without eating anything and only eat within an 8 hour window in any given day Fortunately the 16 hours of fasting include your sleeping time so you will be asleep for about half of that time Intermittent fasting has gained popularity because it offers choice is easy to handle and has a lot of benefits but without the rigors and disadvantages of traditional ways of fasting If you need to lose weight look great reduce inflammation boost your immunity or a myriad of other benefits then you should consider one of the various intermittent fasting methods Tags Fasting Intermittent Weight Loss Guide Your Muscle Diet Burn Lose Build Healthy intermittent fasting intermittent fasting books intermittent fasting for women intermittent fasting diet intermittent fasting and ketogenic diet intermittent fasting 101 intermittent fasting free kindle books intermittent fasting for men intermittent fasting and keto diet intermittent fasting and keto intermittent fasting and cancer intermittent fasting and carb cycling intermittent fasting and diabetes intermittent fasting and feasting intermittent fasting and paleo intermittent fasting books for men how to lose weight fast 5 2 diet weight loss diet diet plan for weight loss 16 8 diet what is intermittent fasting fasting for weight loss diet plan to lose weight fast fat loss diet benefits of fasting ways to lose weight intermittent fasting benefits intermittent fasting results best diet to lose weight diets to lose weight fast intermittent fasting weight loss alternate day fasting five two diet 5 and 2 diet does intermittent
