Russian Hajj Eileen Kane, 2015-11-02 No detailed description available for Russian Hajj **Islam in Central Asia and the Caucasus Since the Fall of the Soviet Union** Bayram Balci, 2018 Provides a sophisticated account of both the internal dynamics and external influences in the evolution of Islam in the region Handbook of Religious Culture in Nineteenth-Century Europe Anthony Steinhoff, Jeffrey Zalar, 2024-12-30 This handbook offers a guide to research on religious culture during Europe's long nineteenth century 1800-1914 Grounded in the latest theoretical approaches and in line with trends that have produced a religious turn in the study of modern Europe the volume assesses the state of the field while making provocative recommendations for its enlargement Unique and ambitious in its thematic breadth it addresses the histories of all five of Europe's main religious traditions Eastern Orthodox Christianity Judaism Islam Protestantism and Roman Catholicism and brings these histories into comparative analysis This analysis extends to a wide range of subjects from popular belief and practice education and modern knowledge formation and the arts to the intersections between religion and urbanization civil society and politics and missions and imperialism It also evaluates recent developments in work on religion vis vis both gender and nationalism while calling attention to newer research that proposes secularism as a form of belief in its own right Presenting the scholarship of eighteen leaders in their respective fields the volume explains why religion as a topic of research has moved from the periphery to the center of modern European historiography

*Political Faultlines in the Middle East* Kingshuk Chatterjee, 2023-06-14 The region of the Middle East is beset with a structural crisis of which particular crises confronting the component countries happen to be merely subsets The real questions revolve round the issue of how long can the present dispensations of power and social structures in the region forged in the twentieth century first half or second can last in the twenty first when they no longer reflect the realities on the ground This volume aims to look at some of the issues to see how the faultlines in the region appear in 2020 to both those in the region and those outside it The volume limits itself to only Levant and the Gulf and looks at the tensions within and policies both foreign and domestic of some of the key regional players which have regional repercussions It also looks at the policies of some of the global players operating in the region that have bearing on the regional faultlines Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan **Handbook on the History and Culture of the Black Sea Region** Ninja Bumann, Kerstin S. Jobst, Stefan Rohdewald, Stefan Troebst, 2024-12-30 Following the annexation of Crimea by the Russian Federation in spring 2014 160 years after the Crimean War and the full scale invasion of Ukraine in February 2022 the Black Sea region has again become the focus of world history In this handbook international scholars from various historical and cultural disciplines provide deep historical insights into the structures of conflict cooperation and interrelations between the Balkans the Middle East the Caucasus and Eastern Europe in the space referred to as the Black Sea world The trans maritime communication and intra regional circulations spanning from Antiquity to the

present day via Byzantium the Polish Lithuanian Commonwealth the Crimean Khanate the Venetian Safavid Ottoman and Romanov empires two World Wars and the Cold War highlight the autonomy of this historical region in the larger transcontinental setting designated in various times and varying languages as the Pontus Euxinus the Mare Maggiore the Kara Deniz the Chernoe More or the Black Sea This voluminous edition sheds real light upon the history of the Black Sea region from antiquity until the end of the 20th century Not only does this first rate book provide a host of excellent historical essays across time it also devotes considerable attention to important questions regarding how the Black Sea region is conceptualized and theorized A very useful contribution James H Meyer Montana State University In the wake of several research projects monographs and journals this is the first groundbreaking handbook on the cohesive history of the Black Sea as a historical meso region It gathers 39 excellent contributions that provide the conceptual apparatus survey the history of the region from a Greek to Byzantine to Ottoman lake to conflicting rivalries to its recent transformation from a quasi Soviet to a quasi NATO lake examine the ideas that underpin the various national ethnic and religious identities research the different mobilities through migration transport infrastructure and take stock of its turbulent history through conflicts and war Maria Todorova University of Illinois at Urbana Champaign Mostly the work of scholars from Central Europe and the Black Sea region this massive volume focuses on the relationship between historical research and memory in particular the difficulty of certain groups living in the region when confronted with empires and nation states whose centers may be quite distant from the Black Sea Attentive readers may thus view the present handbook not merely as a work of reference on history memory and movement but also as a testimony to the historical perspectives developed by a significant number of Central European and Black Sea scholars during the first quarter of the twenty first century Suraiya Faruqi Ibn Haldun University Istanbul

**Migrations in Jordan** Jalal Al Hussein, Valentina Napolitano, Norig Neveu, 2024-06-27 Jordan currently hosts the second largest percentage of registered refugees in the world three million out of its eleven million inhabitants Its experience in hosting migrants and refugees precedes its independence in 1946 with the arrival of Circassians Chechens and Armenians from the late 19th century Jordan thus constitutes a unique observatory for reception policies and long term settlement of different migrant groups Based on original empirical and archival material this volume focuses on migrations caused by conflicts wars and crises underscoring their articulation with longstanding human mobility It sheds light on the cumulative and processual dimensions of Jordan's reception policies and migrants settlement strategies It identifies the multiple actors involved in the management of migrants and conversely the latter's contribution to the Jordanian social economic political and urban fabric The first part of the volume examines the policies adopted by the Jordanian authorities and international organizations to regulate access to basic services and to the labour market and explores the economic and political factors underlying them The second part analyzes the effects of Jordan's policies on the territorial distribution and settlement of migrants How have these policies combined with the adaptation strategies of

migrants contributed to shaping new urban spaces The third part focuses on capacity of the migrants to activate establish re build and intersect different kinds of solidarity networks within the context of protracted displacement **Central Eurasian Studies Review** ,2002 *National Journal* ,2003-04 **Saudi Aramco World** ,2004 **Index Islamicus** ,2000 *World Travel Guide* ,2001 *The Middle East, Abstracts and Index* ,1996 *Arts & Humanities Citation Index* ,1995 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals **The Times Index** ,2007 Indexes the Times and its supplements **The hajj and Europe in the Age of Empire** Umar Ryad,19?? The Hajj F. E. Peters,2021-02-09 Among the duties God imposes upon every Muslim capable of doing so is a pilgrimage to the holy places in and around Mecca in Arabia Not only is it a religious ritual filled with blessings for the millions who make the journey annually but it is also a social political and commercial experience that for centuries has set in motion a flood of travelers across the world s continents Whatever its outcome spiritual enrichment cultural exchange financial gain or ruin the road to Mecca has long been an exhilarating human adventure By collecting the firsthand accounts of these travelers and shaping their experiences into a richly detailed narrative F E Peters here provides an unparalleled literary history of the central ritual of Islam from its remote pre Islamic origins to the end of the Hashimite Kingdom of the Hijaz in 1926 *Imperial Mecca* Michael Christopher Low,2020-10-06 With the advent of the steamship repeated outbreaks of cholera marked oceanic pilgrimages to Mecca as a dangerous form of travel and a vehicle for the globalization of epidemic diseases European especially British Indian officials also feared that lengthy sojourns in Arabia might expose their Muslim subjects to radicalizing influences from anticolonial dissidents and pan Islamic activists European colonial empires newfound ability to set the terms of hajj travel not only affected the lives of millions of pilgrims but also dramatically challenged the Ottoman Empire the world s only remaining Muslim imperial power Michael Christopher Low analyzes the late Ottoman hajj and Hijaz region as transimperial spaces reshaped by the competing forces of Istanbul s project of frontier modernization and the extraterritorial reach of British India s steamship empire in the Indian Ocean and Red Sea Imperial Mecca recasts Ottoman Arabia as a distant unstable semiautonomous frontier that Istanbul struggled to modernize and defend against the onslaught of colonial steamship mobility As it turned out steamships carried not just pilgrims passports and microbes but the specter of legal imperialism and colonial intervention Over the course of roughly a half century from the 1850s through World War I British India s fear of the hajj as a vector of anticolonial subversion gradually gave way to an increasingly sophisticated administrative legal and medical protectorate over the steamship hajj threatening to eclipse the Ottoman state and Caliphate s prized legitimizing claim as protector of Islam s most holy places Drawing on a wide range of Ottoman and British archival sources this book sheds new light on the transimperial and global histories traversed along the pilgrimage to Mecca The Hajj Today David E. Long,1979-06-30 The Qu ran admonishes

Muslims that the pilgrimage to the temple is an obligation due to God from those who are able to journey there Today over one and a half million pilgrims annually fulfill this Fifth Pillar of Islam the Hajj Saudi Arabia conquered the Hijaz in part to protect Hajjis from abuses in the management of the Hajj How does that country now administer the religious event that brings so many people often poor and illiterate into one small area to perform a variety of complex rituals How does the government protect its visitors health and safety and ensure their proper guidance through the necessary rites How does it move so many pilgrims in and out of what is essentially an out of the way desert David Long has set this thoughtful examination of the twentieth century Hajj within its historical framework He first provides a clear concise description of the rituals either necessary or traditional to the proper performance of the Hajj he then relates how the inhabitants of Mecca used to manage the pilgrimage and finally relates how the new Saudi rulers gradually brought the Hajj service industry under government regulation Today there is probably no agency of the Saudi government which is not at least tangentially concerned with the Hajj Only in the area of health did there exist a history of public management By the early nineteenth century it had become all too clear that the Hajj served to carry diseases endemic to the Orient to Europe and by the end of that century health and quarantine procedures were under international control Today the Saudi government has sole control of these matters Oil revenue vastly exceeds Hajj revenues once a major source of Saudi income but the Hajj continues to play an enormous role in the religious social and political life of the country And even in economics it structures the Saudi businessman s year and provides part or full time employment to more Saudi citizens than does the oil industry This volume contains an extensive bibliography appendixes containing statistical material on recent Hajjs maps and a glossary
