OCR GCSE Computer Science (9-1) J277 S.

Robson, Pm Heathcote, 2020-03-31 the aim of this book is to provide a comprehensive and accessible text for students covering Papers 1 and 2 in the latest OCR GCSE J277 Computer Science specification. It will be invaluable as a course text for students throughout the course. It is divided into eight sections each broken down into manageable chapters of roughly one lesson. Sections 6 and 7 of the textbook cover algorithms and programming fundamentals with a theoretical approach to provide students with experience of writing tracing and debugging pseudocode solutions without the aid of a computer. These sections would complement practical programming experience. Each of the eight sections covers one of the major topics in this course and each subtopic contains sample examination questions from past papers which can be set as homework.

ClearRevise Exam Tutor OCR GCSE Computer Science J277 Online Pg, 2021-04-05 Exam tutor and walk through Over 500 exam style revision questions with model answers Exam tips and coaching just like a tutor would offer Two complete practice exam papers Answers to all questions Specification references for every topic A perfect companion to our ClearRevise illustrated revision book Make exam revision as easy as 1 2 3 Study the questions with model answers on the left pages Have a go at fresh questions from the same topic on the right Breeze through two complete practice papers ClearRevise is all about making your revision easy At the end of the course doing practice papers is useful but an exam tutor can make a big difference This book helps provide support from both angles and will really help you to ace the exam The first section is your exam tutor It shows you example questions with model answers Just like a tutor it gives you exam tips and lets you know what the examiner is looking for Secondly you are then given similar questions from the same topic for you to have a go at applying your knowledge and tips With over 400 marks in this section and all the answers provided you'll easily revise the topics as you go Lastly there are two complete exam papers written in the same style as the live OCR papers to try They're exactly the same length and marks as the real exam providing a realistic experience and a great opportunity to show how much you've progressed
