Cybersecurity Breaches and Issues Surrounding Online Threat Protection is an essential reference source for the latest scholarly research on the various types of unauthorized access or damage to electronic data. Featuring extensive coverage across a range of relevant perspectives and topics such as robotics, cloud computing and electronic data diffusion, this publication is ideally designed for academicians, researchers, computer engineers, graduate students and practitioners seeking current research on the threats that exist in the world of technology.

### *AWS Certified Data Analytics Study Guide with Online Labs* Asif Abbasi,2021-04-13

Virtual hands on learning labs allow you to apply your technical skills in realistic environments. So Sybex has bundled AWS labs from XtremeLabs with our popular AWS Certified Data Analytics Study Guide to give you the same experience working in these labs as you prepare for the Certified Data Analytics Exam that you would face in a real life application. These labs in addition to the book are a proven way to prepare for the certification and for work as an AWS Data Analyst. AWS Certified Data Analytics Study Guide Specialty DAS C01 Exam is intended for individuals who perform in a data analytics focused role. This UPDATED exam validates an examinee's comprehensive understanding of using AWS services to design, build, secure and maintain analytics solutions that provide insight from data. It assesses an examinee's ability to define AWS data analytics services and understand how they integrate with each other and explain how AWS data analytics services fit in the data lifecycle of collection, storage, processing and visualization. The book focuses on the following domains: Collection, Storage and Data Management, Processing, Analysis and Visualization, Data Security. This is your opportunity to take the next step in your career by expanding and validating your skills on the AWS cloud. AWS is the frontrunner in cloud computing products and services and the AWS Certified Data Analytics Study Guide Specialty exam will get you fully prepared through expert content and real world knowledge, key exam essentials, chapter review questions and much more. Written by an AWS subject matter expert, this study guide covers exam concepts and provides key review on exam topics. Readers will also have access to Sybex's superior online interactive learning environment and test bank including chapter tests, practice exams, a glossary of key terms and electronic flashcards. And included with this version of the book: XtremeLabs virtual labs that run from your browser. The registration code is included with the book and gives you 6 months of unlimited access to XtremeLabs AWS Certified Data Analytics Labs with 3 unique lab modules based on the book.
