Paper Caper Tim Topps:

The Paper Caper Tim Topps, 2015-12-22 The Paper Caper starts at the beginning of the Cold War in a very laid back army depot full of staff visibly unwinding after the previous war It follows the newly commissioned but determinedly unmilitary Tim Topps who arrives at the immense depot in 1947 Along with regimental and storehouse duties Tim is immediately appointed Editor of the depot s weekly newspaper which he has never seen or even heard of Expecting a newsroom bursting with activity when he makes his way to meet his staff the new editor is met with a small private who is currently operating the paper single handedly at a desk in the far corner of the Print Pubs shed To no surprise the paper itself can mostly be found holding a portion of chips at the end of the week It is soon revealed that Tim s true role as Editor is to expand the paper using it to trap a Communist sleeper who MI5 have discovered planted within the civilian staff He is to be aided by a charming and efficient ATS Corporal with whom he is doomed to strictly contrary to army regulations fall in love Tim and his assistant eventually narrow down the suspects to one officer but all is not as it seems They are led on a chase beyond the depot to ruined castles up and down the Welsh border coming to the end of their journey near a fishing village in the south of France Here they will confront their enemy for the last time *The Paper Caper* is a light hearted novel that will appeal to fans of history and military novels

Yes Lad, But Byways Tim Topps with Alan Broad, 2020-10-06 When a promoter of nudism in a newspaper interview pulled out a pipe and tobacco It was Tim who asked Where from Reading that more babies are born in countries which protect storks Tim has an ingenious theory It is the small incidental personal things and odd ideas which we are most likely to recall fondly in our dotage This is a lifelong 92 year autobiography full of light hearted glances back and the book s title is a gentle swipe at Housman and his blue remembered hills Every highway has its network of intriguing byways Tim s natural wit radiates from the pages of this insightful memoir Considering the byways of life and delighting in their anomalies is something we all should do more often

The Umzindusi Letter Tim Topps, 2017-03-21 Out of the blue at the end of March 1941 my grandfather with whom I spent my school holidays throughout the Second World War received a brief letter from Winston Churchill whom he had never met nor had any dealings with

The Bunny Run Tim Topps, 2014-03-10 It was something I had quietly enjoyed shared secrets with visited regularly always been happy to share my thoughts with in good times and bad It was so well known to me it would never let me down I had fallen in love with a road With offices in both towns Tim Topps has for many years driven twice weekly between Cambridge and Oxford and knows the road like the back of his gloved hand but now amid all his memories things are changing including his 20 year marriage which has come to an abrupt end Tim takes you in his beloved old Sunbeam Talbot two tone as the best ones were along familiar routes while frequently turning aside to disclose all manner of revelations ranging from a schoolboy s theft in Kenya on Armistice Day 1936 and a cavalry recruit s first day on parade first broadcast twice on the BBC to an old lady s possible affair with a really horrid dictator and a very feasible belief that ghosts come from the future all dressed up for a

visit to the past The drive and the read pass smoothly but when Tim reaches his destination things change dramatically His reminiscences end and his problems rapidly unfold as he parks in Oxford Tim s adventures mirror the format of a monologue as he confides in the reader and compels you to read more The Bunny Runwill appeal to fans of light hearted fiction **Too Long in the Business** Tim Topps,2014-06-28 During a hilarious National Service and with university to follow Tim Topps wonders what he can fruitfully sell to his contemporaries who will be going up to college probably with wives and certainly with wartime memories Disenchanted by his original idea about laundrettes he decides upon insurance learning too late from a rather pushy teenager called Branson that one should offer students what they want not what they need Nevertheless he sets up special schemes and successfully runs a student oriented insurance brokerage which evolves from a 1949 back street in Oxford to a nationwide business with tens of thousands of happy clients some now famous in the media or sitting in The Lords or even invading Iraq But a somewhat unsuccessful venture into other student centres in Europe brought Tim into contact with COSEC the outfit set up by the CIA as was revealed in 1967 by the US student magazine Ramparts Shots are fired one by the CIA the other by he still can t believe the killer of Lord Erroll in Kenya 1941 very likely linked to Baden Powell Both of those shots are closely explored revealing some interesting stuff that the author grimly insists is fiction With an exclusive article being published in the Daily Mail mid June Too Long in the Business is set to be a hit with fans of humorous fiction along with anyone who has been to a UK university especially in the 50s 70s Pure-bred Dogs, American Kennel Gazette ,1974
