Papua New Guineas Last Place Experiences Of Constraint In An Postcolonial Prison:

Papua New Guinea's Last Place Adam Reed, 2003 What kind of experience is incarceration How should one define its constraints The author who conducted extensive fieldwork in a maximum security jail in Papua New Guinea seeks to address these questions through a vivid and sympathetic account of inmates lives Prison Studies is a growing field of interest for social scientists As one of the first ethnographic studies of a prison outside western societies and Japan this book contributes to a reinterpretation of the field s scope and assumptions It challenges notions of what is punitive about imprisonment by exploring the creative as well as negative outcomes of detention separation and loss Instead of just coping the prisoners in Papua New Guinea s Last Place find themselves drawing fresh critiques and new approaches to contemporary living

Prison Breaks Tomas Max Martin, Gilles Chantraine, 2018-02-12 This edited collection analyses the prison through the most fundamental challenge it faces escapes The chapters comprise original research from established prison scholars who develop the contours of a sociology of prison escapes Drawing on firm empirical evidence from places like India Tunisia Canada the UK France Uganda Italy Sierra Leone and Mexico the authors show how escapes not only break the prison but are also fundamental to the existence of such institutions how they are imagined designed organized justified reproduced and transformed The chapters are organised in four interconnected themes resistance and everyday life politics and transition imaginaries and popular culture and law and bureaucracy which reflect how escapes are productive local historical and equivocal social practices and integral to the mysterious intransigence of the prison The result is a critical and theoretically informed understanding of prison escapes which has so far been absent in prison scholarship and which will hold broad appeal to academics and students of prisons and penology as well as practitioners The Oxford Handbook of Law and

Humanities Simon Stern, Maksymilian Del Mar, Bernadette Meyler, 2020 How might law matter to the humanities How might the humanities matter to law In its approach to both of these questions The Oxford Handbook of Law and Humanities shows how rich a resource the law is for humanistic study as well as how and why the humanities are vital for understanding law Tackling questions of method key themes and concepts and a variety of genres and areas of the law this collection of essays by leading scholars from a variety of disciplines illuminates new questions and articulates an exciting new agenda for scholarship in law and humanities Instituting Worlds Catharina Gabriellsson, Marko Jobst, 2024-12-30 Islands have a long

history of appealing to the architectural imagination and have served as sites for architectural expressions of cultural specificity cultural conquest and cultural hybridisation over millennia From offshore financial centres to immigrant detention camps tourist havens to military bases the architectures of islands concretise the forces at play in our contemporary crisis ridden societies Collecting writings by a wide range of established scholars together with exciting new voices in architecture and affiliated disciplines this book shows the pertinence islands hold for critical spatial thinking and practice today Covering war and colonialism detention and tourism the topics raised in this book range from issues of urban development to close

readings of buildings whether ruined designed projected preserved or absent Combing case studies critical historiography and pieces of experimental writing the chapters disclose the variety of ways in which architecture can be used as a lens for analysing disclosing and untangling island specificity This volume offers a very timely vibrant and methodologically varied approach to the subject of architecture and islands Its global reach innovative outlook and rich material will be of interest to scholars and students in architecture landscape architecture geography and urban design and planning alongside arts and literary studies

Suva Stories Nicholas Halter, 2022-09-08 Suva Stories explores a fascinating tapestry of histories in one of the Pacific's oldest and most culturally diverse urban centres the capital of Fiji Charting the trajectory of Suva from indigenous village to colonial hub to contemporary Pacific metropolis it draws on a rich colonial archive and moving personal memoirs that bear witness to their time The diverse contributions in this volume form a complex mosaic of urban lives and histories that contribute fresh insights into historical and ongoing debates about race place and belonging Suva Stories is a valuable companion to those seeking to engage with the city's pasts and present and will prompt new conversations about history and memory in Fiji

New Perspectives on Prison Masculinities Matthew Maycock, Kate Hunt, 2018-02-21 This edited collection utilises recent advances in theories on masculinities to explore and analyse the ways in which prisons shape performances of gender both within prison settings and following release from prison The authors assess here how the highly gendered world of the prison where the population is overwhelmingly male in most countries impacts upon the performance of masculinities Including original pieces from England Australia Scotland and the USA as well as contributions which take a broader methodological and conceptual approach to masculinity this engaging and original collection holds international appeal and relevance Cumulatively the chapters illustrate the importance of considering a nuanced understanding of masculinity within prison research and as such will be of particular interest for scholars of penology gender studies and the criminal justice system

Re-imagining Biangai Environments Jamon Alex Halvaksz,2005 **A World of Work** Ilana M. Gershon,2015-11-25 Ever wondered what it would be like to be a street magician in Paris A fish farmer in Norway A costume designer in Bollywood This playful and accessible look at different types of work around the world delivers a wealth of information and advice about a wide array of jobs and professions The value of this book is twofold For young people or middle aged people who are undecided about their career paths and feel constrained in their choices A World of Work offers an expansive vision For ethnographers this book offers an excellent example of using the practical details of everyday life to shed light on larger structural issues Each chapter in this collection of ethnographic fiction could be considered a job manual Yet not any typical job manual to do justice to the ways details about jobs are conveyed in culturally specific ways the authors adopt a range of voices and perspectives One chapter is written as though it was a letter from an older sister counseling her brother on how to be a doctor in Malawi Another is framed as a eulogy for a well loved village magistrate in Papua New Guinea who may have been killed by sorcery Beneath the novelty of the examples are some serious messages that Ilana Gershon highlights in her introduction These ethnographies reveal the connection between work and culture the impact of societal values on the conditions of employment Readers will be surprised at how much they can learn about an entire culture by being given the chance to understand just one occupation Oceania Alfred Reginald Radcliffe-Brown,Raymond Firth,Adolphus Peter Elkin,2014 The Severed Snake Michael W. Scott,2007 Examining the secretive dynamics of competing land claims among the Arosi of the island of Makira Solomon Islands Michael W Scott demonstrates the explanatory power of ethnographic attention to the nexus between practice and indigenous theories of being His focus on the ways in which Arosi understand their matrilineages to be the bearers of discrete categorical essences exclusively emplaced in ancestral territories forms the basis for a timely and accessible rethink of current anthropological representations of Melanesian sociality and opens up new lines of inquiry into the transformative relationships among gendered metaphors of descent processes of place making and the indigenization of Christianity Informed by original historical research and newly documented variants of regionally important mythic traditions The Severed Snake is a work of multidisciplinary scope that proposes critical and methodological shifts relevant to historians development professionals folklorists and scholars of religion as well as anthropologists This book is part of the Ritual Studies Monograph Series edited by Pamela J Stewart and Andrew Strathern Department of Anthropology University of Pittsburgh Solomon Islanders are eligible for a 30% discount Please contact Beth Hall at bhall cap

press com or 919 489 7486 x121 for more information Michael Scott's empirically rich study of the ontological foundations of social action combines the best aspects of classic ethnography and contemporary social theory His attention to detail registers a keen sensitivity to local concerns and their historical specificity at the same time that his conceptual sophistication places those concerns in a broad comparative perspective This book is a vindication of careful fieldwork's unparalleled ability to illuminate the great moral and metaphysical questions Webb Keane Professor of Anthropology University of Michigan I know of no other book on a Melanesian culture that probes as deeply into the question of land and identity Michael Scott's book is thoroughly researched historically aware sensitive on religion and always convincing Garry Trompf Professor of Studies in Religion University of Sydney This book will be very useful for all academics and tertiary students who seek to understand and do intelligent work among coastal and smaller island cultures in Melanesia In this he has skilfully combined the disciplines of anthropology studies in religion mission history and missiology *Anthropos* This book about Arosi on the island of Makira is welcome on several fronts Scott presents engaging arguments about the interplay of Melanesian ontologies place and practice and he also makes a valuable contribution to the burgeoning study of indigenous Christianities Scott does an admirable job of disentangling the Arosi ideological skein His study will greatly interest anthropologists and historians of Melanesia and beyond *The Journal of the Royal Anthropological Institute of Great Britain and Ireland* The book is an important contribution to Melanesian studies and will quickly enter the canon of mandatory reading for anyone working in Solomon Islands a sophisticated and well researched study that has much to offer anyone concerned to understand indigenous modes of thinking and being in the world today Geoffrey White *Oceania* Volume 78 Number 3 November 2008 A fascinating account of social change In addition to Melanesianists this book will be of interest to anthropologists working on issues of personhood social change and global Christianity Courtney J Handman *Anthropological Forum* University of Chicago This is a major ethnography whose scope originality and sophistication combine to set new directions for the comparative study of the societies of Melanesia This book is indeed a significant contribution to Melanesian ethnography but it is more than that It is a major contribution to the comparative understanding of Melanesia within an Austronesian speaking world James J Fox *The Asia Pacific Journal of Anthropology* The Australian National University The ethnography's main contribution is carefully to detail Arosi conceptions of place and identity that are broadly shared across Melanesia Scott's analysis helps clarify why uneasy problems of land and identity in Melanesia continue to simmer *The Australian Journal of Anthropology* The book offers a great deal of interest to scholars interested in social change in rural societies especially where traditional land tenure and resource ownership are in play It would also find a place in graduate and advanced undergraduate courses on the anthropology of social change Ryan Schram *American Ethnologist* University of California San Diego This book offers the reader an excellent and highly readable analysis of the Arosi's understandings of land tenure and Christianity It offers some very interesting often critical insights into current anthropological thinkings on
