Parenting Your Powerful Child Bringing An End To The Everyday Battles:

Parenting Your Powerful Child Dr. Kevin Leman, 2013-09-01 Powerful kids don't just happen. They're created. Whether loud and temperamental, quiet and sensitive or stubborn and manipulative, powerful children can make living with them a challenge. But it doesn't have to be that way. All children need to face the realities of life, and the best place for them to do so is in the safe place of their home. For all the parents out there at their wits' end, New York Times bestselling author Dr. Kevin Leman offers a fail-safe action plan for redirecting power surges into positive traits that will prepare the powerful child for a successful, happy, productive adult life. Parents will learn how powerful children are created, what makes them tick, what makes them explode, and what they can do to change the power plays for the good of the entire family. All it takes is determination, persistence, willpower, and advice that works, guaranteed. **The Birth Order Book** Dr. Kevin

Leman, 2004-09-01 Dr. Leman's ever popular book on birth order is ready for a new generation of readers. With insight and wit, Dr. Leman offers readers a fascinating and often funny look at how birth order affects personality, marriage, and relationships, parenting style, career, and children. Whether at home or on the job, birth order powerfully influences the way people interact with others. This is a great book for anyone who wants to learn more about how they react to their world. Dr. Leman even shows readers how to overcome ingrained tendencies they never thought they'd be rid of, all by focusing on their birth order.

What a Difference a Mom Makes Dr. Kevin Leman, 2012-09-01 Every mom wants the best for her son. She wants him to succeed in life, to be a man of character, to find a good woman, to be a great dad. But sometimes boys are hard for moms to understand. Sometimes they're strange, annoying, and downright disgusting. Yet always they need a mother who is engaged and interested in them, because a mom is the most important person in a boy's life. In *What a Difference a Mom Makes*, New York Times bestselling author Dr. Kevin Leman uses his wit and wisdom to show Mom how to lay the groundwork that will allow her son to grow into a good man. Armed with Dr. Leman's expert advice and insight, Mom will gain an understanding of her boy at every stage, from that very first diaper change to the moment he leaves for college. Dr. Leman shows how to discipline a boy, how to command respect, how to let him fight his own battles, how to understand his sexuality, and how to weather the changes in the mother-son relationship as he grows up. Most of all, Dr. Leman shows Mom how to lighten up and have some fun along the way with that boy who will always have her heart. *Have a New Teenager by Friday* Dr. Kevin

Leman, 2011-09-01 Parents may survive the terrible twos and the first years of school all right, but the teenage years bring entirely new and alien creatures. So parents have a choice: either send that teenager to boarding school and visit him when he reaches normalcy again in about ten years, or choose to experience the best, most fun years of life together. The secret is in how the parental cards are played. With his signature wit and commonsense psychology, internationally recognized family expert and New York Times bestselling author Dr. Kevin Leman helps parents communicate with the whatever generation, establish healthy boundaries, and workable guidelines, gain respect, even admiration from their teenager, turn selfish behavior

around navigate the critical years with confidence pack their teenager's bags with what they need for life now and in the future become the major difference maker in their teenager's life Teenagers can successfully face the many temptations of adolescence and grow up to be great adults And parents Dr Leman says are the ones who can make all the difference because they count far more in their teenager's life than they'll ever know even if their teenager won't admit it at least until she's in college and wants to know how to do the laundry *Have a Happy Family by Friday* Dr. Kevin Leman, 2014-08-26

Every member of a family plays a vital role in the health and happiness of the household Everyone is important deserves to be treated with love and respect and needs to know that when they make mistakes they will still be loved unconditionally And when every member of the family is pulling for each other and on the same team everybody wins But is this kind of family life even possible Parenting expert Dr Kevin Leman says it is and he's ready to show moms and dads exactly how they can make it happen in their family in just five days He shows families how to communicate honestly and kindly prioritize the right things maintain great attitudes and behaviors determine the role they play in the family structure make family time count As always Dr Leman's outstanding advice is laced with humor great stories and the wisdom that comes only from a lifetime of experience For parents who've had it up to here with bickering hurt feelings and emotional exhaustion *Have a Happy Family by Friday* is just what the doctor ordered **Education a la Carte** Dr. Kevin Leman, 2017-09-05

Every parent wants the best possible education for their child one that fits their child's unique needs challenges them to grow and equips them to succeed But there are so many options public private and charter schools plus homeschooling and online schooling that it's easy for parents to feel overwhelmed and well undereducated about the choices What's more while one schooling option may be right for one child it may be challenging for another And sometimes the same child will thrive in one environment in elementary school but falter in that same environment in middle school What's a parent to do Parenting expert and longtime educator Dr Kevin Leman can help In this practical book he clearly explains the pros and cons of various schooling options so that parents can make an informed choice about the kind of education that will help their child thrive He shows parents how to stay involved and engaged with their child's education every step of the way knowing that the choices they make about school now will reverberate long into that child's future **When Your Kid Is Hurting** Dr. Kevin Leman, 2018-09-04

As parents we have a strong impulse to protect our children but that very protection can end up handicapping them for life Rather than seek to save them from the hard things we must teach our kids how to cope with and rise above their problems In one of his most important books to date internationally known psychologist and bestselling author Dr Kevin Leman shows parents how to be good listeners tell the truth even when it's difficult find balance between being protective and being overprotective approach hurt and injustice as a learning experience rather than fostering a victim mentality and much more Whether a child is dealing with a difficult family situation bullies the loss of friends the death of a loved one discrimination abuse a teen pregnancy or even just trying to make sense of what they see in the news this compassionate and practical book
