

# VOODOO DOLL

This mischievous but cursed wondrous artifact resembles a humanoid burlap and straw doll, easily held in one hand and adorned with accessories. Without fail, the doll bears an uncanny resemblance to the humanoid creature which finds it. Whispered yelps of misery can be heard from the doll at night...

## CURSE OF THE DOLL

The Voodoo Doll's attachment time is instant, and it emits an aura of evil. Until you as the owner remodel the doll's appearance so that it no longer resembles you, all of its vile abilities will target you. The doll will try to teleport to an unobserved space within 30 feet of you each dusk if you are separated from it, rather than allowing its attachment with you to break. The doll has a curse which can only be ended if the owner dies or a *Greater Restoration* spell is used.

**Curse.** If the doll's charges drop to 0 or are at 0 when dusk arrives, you roll a 1d20. On a result of 1, you die and your soul becomes imprisoned within the doll.

## PREPARING THE DOLL

You can spend an hour drawing a 5-foot radius spell circle on the ground - you can hold the Voodoo Doll while within the circle to cast *Scrying* once per day and *Clairvoyance* once per short rest, neither one needing spell slots or components.

To be used against a victim, the target creature must be alive and sentient and in possession of its soul, and the doll must be made to resemble them. This can be done over the course of an uninterrupted minute, or by succeeding a DC 18 *Sleight Of Hand* check to complete the remodeling in a single Action. You must be able to see the victim for the duration, and any previous victim is cleared. Including materials or possessions related to the victim will enhance the foul magic.

### Adornment

Resembles the victim

### Effect

The victim's soul cannot return to its body if separated or killed.

Includes belonging of victim's (ocket, earring, clothing, etc)

The victim takes 1d6 psychic damage when they attempt to communicate about the doll.

Includes any piece of victim (hair, ear, etc)

Doll abilities instill the victim with a Long Term Madness (DMG 260) if they are currently sane.

Has been dyed or washed in some of victim's blood

Doll abilities no longer require sight, and refill 1 charge, when used against this victim.

## RECREATING THE DOLL

The Voodoo Doll can be turned to ash by being soaked in holy water and then targeted with a *Wish* spell, releasing its imprisoned souls to their intended destinations (afterlife, etc). To recreate the doll, burlap cloth must be soaked in the waters of a branch of *Styx*, the *River of Blood* before they are sewn together to make the doll. The further downstream the cloth is soaked, the more powerful the Voodoo Doll (greater Save DCs, charge capacity, psychic damage, etc).

## USING THE DOLL

The doll can store 9 charges, used in the following ways with your Action by holding the doll if you can see the current victim or their corpse.

**Put the Doll** (0 charges) Drag the victim's soul into the doll where it is imprisoned.

**Scab the Doll** (1 charge) Force the victim to make a Wisdom saving throw DC 18. On a failed save, they become incapacitated until the end of their next turn.

**Blind the Doll** (2 charges) Force the victim to fall under the effects of the *Blaze* spell for 1 minute.

**Crush the Doll** (3 charges) Cause the victim to take an extra 1d6 psychic damage each time they lose hit points, except from this ability. This lasts for 1 minute.

**Pluck the Doll** (4 charges) Suppress one of the victim's damage resistances, special senses, or condition immunities for 1 minute. Using this again clears the previous choice.

If you concentrate for a minute while holding the Voodoo Doll to send an imprisoned soul to a branch of *Styx*, the *River of Blood*, the doll regains 1d8+1 expended charges.

## PROTECTING AGAINST THE DOLL

Certain measures can counter the Voodoo Doll's vile power.

### Spell

**Bless**

### Effect

The victim may surrender *Bless*'s benefits when it is cast on them to ignore the doll for 1 minute.

**Remove Curse**

Cast on the victim to suppress the doll's connection with them until the next dusk.

**Hallow**

The victim ignores the doll while inside the perimeter, which the doll can't cross on its own.

**Divine Word**

Use against the doll to release its imprisoned souls to their original destinations (afterlife, etc).

**The Presidencies of George Herbert Walker Bush and George Walker Bush** Glenn P. Hastedt, 2008 The Bush Presidencies represent a unique historical challenge for historians and political scientists alike Not since John Adams and his son John Quincy Adams has the nation been led by father and son presidents The Bushes are different from the Adamses John Adams and John Quincy Adams ruled a good twenty four years apart with John Quincy assuming the presidency in 1824 after a controversial election that was settled by the House of Representatives Although John Quincy did not receive a majority of popular votes or a majority of elector votes he assumed the presidency due to the influence of the House He was soundly defeated by Andrew Jackson four years later In contradistinction to John Quincy Adams George W Bush was declared the

electoral vote winner in the 2000 presidential election after a bitter contested election settled in large measure by the Supreme Court decision Bush v Gore Unlike John Quincy George W Bush won a second term albeit by the smallest margin in history 1 George H W Bush was not successful in his re election quest while John Adams was in his Psychological insinuations and theories are more rampant today affecting the analysis of the Bush presidencies unlike the Adams presidencies However the Bush presidencies present opportunities for comparing and contrasting father and son presidencies governing within eight years of each other In addition the son governs as the father watches This new and significant book is dedicated to comparing and contrasting this father and son combination The response to our call has been quite fruitful There seems to be a conventional wisdom developing about this father and son relationship It seems to emphasise differences between the father and son These differences are largely due to the different approaches that father and son took towards Iraq Thus it has been observed that the father is a bit disappointed in the son for the path taken in Iraq George H W Bush is concerned for and worries about his son Our authors find not only differences but great similarities between both presidents This is as one might expect given blood lines environmental upbringing family ties education and other variables affecting these individuals The analysis here both adds to and contradicts the conventional wisdom view of the Bushes Our authors present a first attempt at analysing this unique relationship in various policy areas The authors believe that this relationship will provide future scholars with many research questions concerning the nature of the presidency *The Book of Black Magic and Ceremonial Magic* Arthur Edward Waite,2006-09 The author has assembled a number of magical spells and treatises from a variety of obscure sources The result is a great overview of magic from an important figure in Western occultism A great reference book on ritual magic of which only a few good ones exist today *Black and White Magic (revised Edition)* Marie LAVEAU,2008-11-25 This is the most authentic book on Voodoo ever written Within the pages of this book lie the secrets of Marie Laveau Voodoo Queen of New Orleans *Berkshire Encyclopedia of World History* ,2005 A comprehensive encyclopedia of world history with 538 articles that trace the development of human history with a focus on area studies global history anthropology geography science arts literature economics women s studies African American studies and cultural studies related to all regions of the world Provided by publisher *The Book of Black Magic and of Facts* Arthur Edward Waite,1899 **The Enemy Within** Kenneth J. Jones,1990 Just after midnight on December 20 1989 the U S launched a massive attack on the tiny Republic of Panama or more correctly on her dictator Gen Manuel Antonio Noriega and his army The story of the invasion and the events leading up to it is laced with international intrigue dirty deeds abuse of power Latin American political strife and has a cast of characters even featuring a Brazilian witch who escaped from the clutches of U S soldiers This book is a factual and pictorial account of events which had they been presented in the form of a novel would scarcely have been believable In order to understand why the U S A invaded Panama s sovereign territory causing severe loss of life and risking international censure it is necessary to trace Panama s history from the Republic in

1903 It is clear that Uncle Sam apart from an undeniable responsibility for paternity has always maintained his role of disciplinarian over the problematic republic Uncle Sam was negligent in recent years however and had allowed his own secret agent Manuel Noriega to rise to dictatorship of Panama Using his army the Panama Defense Forces beefed up by U S funds and backed by corrupt local politicians Noriega browbeat his opposition and thumbed his nose at the U S finally instructing his compliant assembly to declare itself at war with the U S A The U S responded in a dramatic fashion and achieved all their objectives including the hide of General Noriega who has been tried and convicted in Florida on drug trafficking charges U S soldiers probing Noriega s military lairs and opulent homes uncovered illuminating facets of his character his megalomania and his predilection for the dark forces of the occult
