In Bed with the Victorians Vicky Holmes, 2017-10-16 This book examines the life cycle of Victorian working class marriage through a study of the hitherto hidden marital bed. Using coroners' inquests to gain intimate access to the working class home and its inhabitants, this book explores their marital, quasi-marital and post-marital beds to reveal the material, domestic and emotional experience of working class marriage during everyday life and at times of crisis. Drawing on the recent approach of utilising domestic objects to explore interpersonal relationships, the marital bed not only provides a rereading of the experiences of the working class wife but also brings the much maligned or simply overlooked working class husband into the picture. Moreover, it also extends our understanding of the various marriage-like arrangements existing throughout this class. Moving through the marital life cycle, this book provides a greater understanding of marriages from the outset during childbirth, at times of strife and marital breakdown and upon the death of a spouse.

The Ashurst Sisters Allison Scardino Belzer, 2025-10-29 This group biography follows the four Ashurst sisters, contemporaries of Queen Victoria who rebelled against the limitations of their era to become influential activists. Raised by progressive parents in a London household with few boundaries between private life and public engagement, Eliza, Caroline, Matilda and Emilie Ashurst built sophisticated transnational networks advancing anti-slavery, Italian unification and women's rights across Britain, Europe and America. Through strategic marriages, literary production and connections with revolutionaries like Giuseppe Mazzini, the family nurtured others to campaign for change. Spanning three generations (1791-1933), this book illuminates the understudied role of kinship in nineteenth-century reform movements. The Ashurst Sisters demonstrates how middle-class Victorian women could shape international culture and political discourse through strategic networking and persistent activism. Despite their formal exclusion from power, they found new ways to influence society through translating innovative texts, fundraising for causes and publishing calls for change.

Majolica Mania Susan Weber, 2021-01-12 The first comprehensive study of the most important ceramic innovation of the 19th century. Colorful, wildly imaginative and technically innovative majolica was functional and aesthetic ceramic ware. Its subject matter reflects a range of 19th-century preoccupations from botany and zoology to popular humor and the macabre. Majolica Mania examines the medium's considerable impact from wares used in domestic settings to monumental pieces at the World's Fairs. Essays by international experts address the extensive output of the originators and manufacturers in England, including Minton, Wedgwood and George Jones, and the migration of English craftsmen to the U.S. New research including information on important American makers in New York, Baltimore and Philadelphia is also featured. Fully illustrated, the book is enlivened by new photography of pieces from major museums and private collections in the U.S. and Great Britain.

Victorian Ghost Story Andrew Smith, 2025-08-31 The Victorian Ghost Story: An Edinburgh Companion invites readers to interrogate the multi-layered, multi-vocal conversations that occur within the Victorian ghost story. Its twenty-four chapters provide a historical overview of the development of the ghost story and

explore it in light of the new contexts of the period including mechanisation imperialism and changes to the economy As a much needed survey of critical work on the ghost story it features detailed analysis of major Victorian writers such as Charles Dickens Margaret Oliphant Charlotte Riddell and Henry James and it examines the places haunted by Victorian ghosts haunted houses but also haunted museums fells pyramids and seascapes By engaging with ecocriticism race colonialism class and gender this interdisciplinary Companion constitutes a significant scholarly contribution to the Victorian ghost story and how it relates to a broader Gothic tradition New Paths to Public Histories Margot Finn,Kate Smith,2015-09-17 New Paths to Public Histories challenges readers to consider historical research as a collaborative pursuit enacted across a range of individuals from different backgrounds and institutions It argues that research communities can benefit from recognizing and strengthening the ways in which they work with others **Materialising Gender** ,2005
