Parables John F Macarthur:

Parables John F. MacArthur, 2015-10-27 Discover how Jesus parables can help you better understand God's Word and how to live today. Have you ever wondered why Jesus often spoke in parables? Are you curious about what lessons we can learn from these parables today? Pastor and bestselling author John MacArthur breaks down the parables and teaches you how we can apply these deceptively simple stories to modern Christianity. Jesus was a master storyteller and the parables he often told were no exception. Beneath these unassuming stories were deeply profound spiritual lessons that were designed to reach all who heard them from the faithful to the faithless and they're still relevant today. In *Parables*, MacArthur argues that these short memorable stories represented more than just symbolism or a clever teaching style; they were carefully crafted tales that made the mysteries of the Gospel more accessible to everyday believers. *Parables* will help you see Jesus' teachings in a brand new light addressing some of the most common questions on the topic including: When did Jesus start teaching in parables? What makes parables so accessible? How can we interpret these stories? What common threads link each of the parables together? What do parables teach us about the kingdom of God? John MacArthur has spent a lifetime sharing the Word of God in clear and comprehensible terms with believers of all walks of life. Let him be your guide as he sheds light on the essential lessons contained in the most infamous and influential short stories the world has ever known.

Parables

Workbook John F. MacArthur, 2016-03-01 Jesus was a master storyteller and the parables He told were ingeniously simple word pictures. Some of them were no more than fleeting remarks about commonplace incidents, objects, or persons. In fact, the most compact of all Jesus' short stories does not even fill a complete verse of Scripture. Yet the all were filled with profound spiritual lessons that He wanted His listeners to hear and understand. Jesus told these parables so they would clearly comprehend His message about the kingdom of God and the reason He had come to earth. In the *Parables Workbook*, master expositor and Bible commentator John MacArthur draws on his years spent studying and explaining the Word of God to guide readers through some of the most famous and influential short stories that Jesus told. Each session contains the following: Biblical focus (the primary passages on which the session draws), Another look (questions to facilitate review of content in the book), Biblical connections (questions that focus on the main Bible passage), Highlighting the lesson (questions that focus on the central teaching points), Lasting implications (questions to help draw out personal conclusions), Daily assignments (five sets of questions that reflect on the parable, the point, the purpose, the principles, and the practical application). This workbook has been designed to enhance readers' experience of reading the book and is intended both for individual use and for study in a small group setting.

Stanley,2006-09-20 Jesus teaches that regardless of one's profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e.g Rom 3 21-4 25 Gal 2 16-21 Eph 2 8-9 there is every good reason to understand that Jesus' teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a
