**Mary Nyquist**

## **Paradise Lost John Milton New Casebooks:**

**Paradise Lost** William Zunder, 1999-02-08 The interpretation of *Paradise Lost* has undergone remarkable changes in the last twenty years This new collection of essays maps these changes showing how they have been achieved by the combined discourses of Marxism feminism psychoanalysis and poststructuralism The essays are by writers working at the forefront of current criticism and not only provide an overview of contemporary readings of one of the seminal works of English literature but also indicate the range and subtlety of the revolution in English studies that has taken place in the past two decades *Paradise Lost* is revealed as a work of immediate and challenging relevance

**The Life of the Author: John Milton** Richard Bradford, 2021-06-08 *THE LIFE OF THE AUTHOR* An expansive biography of John Milton including an assessment of his poetry and prose and an account of the ways in which he has been presented over the past three and a half centuries written by a leading scholar in the field It is hard to overstate the role that John Milton played in the historical political and literary controversies of seventeenth century England his writings and very life challenged the status quo Living through one of the most tumultuous periods in British history Milton was involved at every turn Struggling to reconcile his private beliefs with his involvement with a radical political experiment a republic which involved the killing of the monarch his star rose and fell several times during his life Married three times struck blind at a cruelly early age he was a famed pamphleteer and political activist whose revolutionary political credos placed him in mortal danger after the Restoration Milton's varied life makes for fascinating reading but it also produced some of the most important poetry in the English language *Paradise Lost* the only poem in English recognized as an epic challenged conventional thinking on widespread topics from religion and gender equality to the fundamental question of why we behave as we do This fascinating new biography is divided into two parts The first separates the man from the myth and elucidates the complicated details of Milton's life from his early years as a literary artist uncertain of his destiny through his work as a propagandist for the Cromwellian republic to his rewriting of the Old Testament story of the Fall as a poetic allegory of more recent history The second looks at how biographers and critics from the seventeenth century to the present day have distorted and manipulated the personality of Milton to suit their biases Balancing accessibility with academic rigor this volume Examines the significant aspects of Milton's life and work including his poetry and prose his government writings his travels and his final years Explores Milton's Protestant and republican influences in *Paradise Lost* *Paradise Regained* and his other literary works Highlights the differences and similarities between Milton's poetry and political prose Follows the history of biographical and critical presentations of Milton from the seventeenth century onwards including his adoption as a hero of Romanticism and his survival in the twentieth century as allegedly a sceptical humanist Addresses modern critiques of Milton in Marxism Feminism and other branches of Theory *The Life of the Author John Milton Poet and Revolutionary* is essential reading for undergraduate and graduate students university lecturers and academic researchers in relevant fields particularly seventeenth century poetry

and history as well as literary biography and the history of criticism

### **The Masculinities of John Milton** Elizabeth

Hodgson, 2022-09-08 *The Masculinities of John Milton* is the first published monograph on Milton's men. Examining how Milton's fantasies of manly authority are framed in his major works, this study exposes the gaps between Milton's pleas for liberty and his assumptions that White men like himself should rule his culture. From schoolboys teaching each other how to traffic in young women in the Ludlow Masque to his treatises on divorce that make the wife less husband, the best possible citizen, and to the later epics in which Milton wrestles with male small talk and the ladders of masculine social power, his verse and prose draw from and amplify his culture's claims about manliness in education, warfare, friendship, citizenship, and conversation. This revolutionary poet's most famous writings reveal how ambivalently manhood is constructed to serve itself in early modern England.

*Arbitrary Rule* Mary Nyquist, 2015-02-24 Slavery appears as a figurative construct during the English revolution of the mid-seventeenth century and again in the American and French revolutions when radicals represent their treatment as a form of political slavery. What if anything does figurative political slavery have to do with transatlantic slavery? In *Arbitrary Rule*, Mary Nyquist explores connections between political and chattel slavery by excavating the tradition of Western political thought that justifies actively opposing tyranny. She argues that as powerful rhetorical and conceptual constructs, Greco-Roman political liberty and slavery reemerge at the time of early modern Eurocolonial expansion; they help to create racialized free national identities and their unfree counterparts in non-European nations represented as inhabiting an earlier privative age. *Arbitrary Rule* is the first book to tackle political slavery's discursive complexity, engaging Eurocolonialism, political philosophy, and literary studies areas of study too often kept apart. Nyquist proceeds through analyses not only of texts that are canonical in political thought by Aristotle, Cicero, Hobbes, and Locke but also of literary works by Euripides, Buchanan, Vondel, Montaigne, and Milton, together with a variety of colonialist and political writings with special emphasis on tracts written during the English revolution. She illustrates how antityranny discourse, which originated in democratic Athens, was adopted by republican Rome and revived in early modern Western Europe, provided members of a free community with a means of protesting a threatened reduction of privileges or of consolidating a collective political identity. Its semantic complexity, however, also enabled it to legitimize racialized enslavement and imperial expansion. Throughout, Nyquist demonstrates how principles relating to political slavery and tyranny are bound up with a Roman jurisprudential doctrine that sanctions the power of life and death held by the slaveholder over slaves and, by extension, the state, its representatives, or its laws over its citizenry.

### **The Satanic Epic** Neil Forsyth, 2003

The Satan of *Paradise Lost* has fascinated generations of readers. This book attempts to explain how and why Milton's Satan is so seductive. It reasserts the importance of Satan against those who would minimize the poem's sympathy for the devil and thereby make Milton orthodox. Neil Forsyth argues that William Blake got it right when he called Milton a true poet because he was of the Devil's party, even though he set out to justify the ways of God to men. In seeking to learn why Satan is so alluring, Forsyth ranges over diverse

topics from the origins of evil and the relevance of witchcraft to the status of the poetic narrator the epic tradition the nature of love between the sexes and seventeenth century astronomy He considers each of these as Milton introduces them as Satanic subjects Satan emerges as the main challenge to Christian belief It is Satan who questions and wonders and denounces He is the great doubter who gives voice to many of the arguments that Christianity has provoked from within and without And by rooting his Satanic reading of *Paradise Lost* in Biblical and other sources Forsyth retrieves not only an attractive and heroic Satan but a Milton whose heretical energies are embodied in a Satanic character with a life of his own

*Monographic Series* Library of Congress, **Milton's Paradise lost, illustr. by G. Doré, ed. with notes and a life of Milton by R. Vaughan. Popular ed** John Milton, 1894 *Rum* Ian Williams, 2006-08-18 Rum arguably shaped the modern world It was to the eighteenth century what oil is to the present but its significance has been diminished by a misguided sense of old fashioned morality dating back to Prohibition In fact Rum shows that even the Puritans took a shot now and then Rum too was one of the major engines of the American Revolution a fact often missing from histories of the era Ian Williams s book as biting and multilayered as the drink itself triumphantly restores rum s rightful place in history taking us across space and time from the slave plantations of seventeenth century Barbados the undisputed birthplace of rum through Puritan and revolutionary New England to voodoo rites in modern Haiti where to mix rum with Coke risks invoking the wrath of the gods He also depicts the showdown between the Bacardi family and Fidel Castro over the control of the lucrative rights to the Havana Club label Telling photographs are also featured in this barnstorming history of the real Spirit of 1776 *Paradise Lost* John Milton, 1894 General Catalogue of Printed Books British Museum. Department of Printed Books, 1971

**Subject Index of Modern Books Acquired** British Library, 1971 Milton, Paradise Lost A. E. Dyson, Julian Lovelock, 1973 **Library of Congress Catalogs** Library of Congress, 1976 Milton: Paradise Lost A.E.
