Parents Loose Your Children From Bondage:

Parents! Loose Your Children from Bondage Abolaji Muyiwa Akinbo, 2015-01-30 Do you know that there are different types and classifications of children in the Bible These classifications explain everything you need to know about yourself and your children It explains your childhood and your children s behavior today It shows you Bible specifics and tendencies This book is quite captivating and will motivate you to investigate what the author interprets as bondage Given that there are countless influences and forces that draw children in different directions readers will be interested to see God s viewpoint Your present trauma came from your past drama Today s drama is linked to yesterday s trauma If your childhood is wounded your parenting philosophy will be affected irrespective of how much you love your children So fixing your mindset and personal quirks is crucial The topic of this nonfiction book is one of great interest to parents of all ages It seeks to wake parents up to the subtle travesties happening in their children Biblical stories and true life stories are exceptionally used within the context of this book to highlights examples of individuals who didn t resolve issues within themselves only to see them manifested in their offspring This book s approach will educate parents on getting to the source of issues within themselves and their families The author concentrates on several areas that parents may deal with internally offering sound biblical advice and God s direction It s an eye opener to readers about what is going on around them In these last days this book is an essential tool to assist parents and non parents alike in understanding how to bring about God s destiny for their lives and their children This is a must read because It first helps you understands yourself and then your offspring It will help you answer many many questions You will truly enjoy reading it [The Metaphysics of Sex ...in a Changing World!](#)

Christopher Alan Anderson, 2014-07-16 Is sex metaphysical This is to say does it have a purpose and a nature that is encoded in the very construct of the universe These are the questions the author takes up in this day and age where most everything is up for grabs This writing is not without an examination of sensitive issues and explicit terms Think of it as a third way if you will It resides between the fixed identity of our declining religions and the fluid identity of the emerging L G B T Q movement In that it presents to us all another choice In the end it is about a construct for sexual balance that any reader can understand and use as a guide for his or her life Keywords Metaphysics Sex Relationship Procreation Soul Life Birth Love Desire Healing

1993, 〇〇〇 〇〇〇〇〇 〇〇〇〇〇〇 **Father God, After Believing in Jesus as Savior, Can One Lose Their Salvation?** Rick Wilson, 2020-09-01 It is not uncommon in biblical history for God to use the unqualified the uneducated and the uncooperative to do His will He has provided direction and revelation for such people for the express purpose of bringing glory to Himself and His plan Here I am fulfilling all three of the undesirable human characteristics for the express purpose of bringing Jesus glory After one receives Jesus as Lord and Savior a hunger to read the Bible soon follows The more I learned and grew the more questions sprouted during my Christian growth Big personal questions followed and I wanted big personal answers I believe many of us have similar questions too This book answers not only the title question but more

questions than just the ones listed below 1 Would Jesus really erase someone s name from His book of Life And if so why 2 God gave humanity free will but are there limits to one s free will 3 Can one really renounce one s salvation 4 How do the Ten Commandments apply to believers in Jesus and His new covenant What are the differences between the two covenants How do those differences apply to one s life 5 If I am forgiven of all my sins do I still pay for my sins 6 If Jesus forgave all my sins what will I be judged for 7 I believe my past sins are forgiven but what about today s and tomorrow s sins 8 Do I have to confess all my sins till the day I die What if I forget to confess a sin 9 Is it right that we re taught we are saved by grace in the new covenant but then we must live by obedience to the Ten Commandments in the old covenant What chance of success do we have of that since Jesus is the only person to never break a single law and never sin 10 What happens when I deliberately sin 11 How did Jesus define sin differently than Moses *The Christian miscellany, and family visiter* ,1876

Deliverance From Spirit Husband And Spirit Wife Dr. D. K. Olukoya, The issue of spirit husband and spirit wife spirit spouses evil spiritual marriage is one of the greatest spiritual problems which has pervaded societies of the world There are vicious sexual spirits which molest and torment individuals This book teaches you how to receive deliverance from spirit spouses and other associated wicked powers *How to Forgive Your Children* Quin Sherrer,Ruthanne Garlock,1989

Second Edition, Revised and Enlarged Hester Pendleton,1871 *Israel and the Covenants in New Testament Times* Peter Williams,2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus

mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that
