Abilities and Skills: Description, Example, & Practice Questions

This portion of the written test measures abilities and skills necessary to learn the job of a Fire Fighter. The following are brief descriptions and example/practice items of each section.

You will be presented with questions that have two or more answer choices, and you will need to choose the best answer for each question. If you are not sure of the answer, try to eliminate one or more choices as incorrect. Then provide your best answer.

This portion of the written test has four parts: Written Expression, Mechanical Comprehension, Report Interpretation, and Reading Comprehension. Sample test questions are provided for each part of this test. These questions are similar to those included in the actual test. Read the instructions, look at the examples, and answer the practice questions. Once you have completed all three sections, you may check your answers by referring to the answer key in the last several pages of this Study Guide.
