It's 9AM - a massive collection C Lowry, 2025-12-02 IT S 9AM Every morning is a second chance Most people miss it Chris Lowry writes it down It s 9AM is a raw unfiltered quietly powerful collection of personal essays from the writer of the hit daily Substack by the same name stories about life resilience failure grit and the impossible business of becoming a better human without burning your entire life to the ground in the process If you ve ever woken up wondering how to keep going If you ve ever tried to reinvent yourself at the wrong age If you ve ever fought your own doubts while chasing something bigger If you ve ever felt like life is one long run where the finish line keeps moving This is your book Lowry doesn t hand out 10 Steps to Fix Your Life He hands you something better his lived in truth The early mornings The setbacks The running trails The mistakes The tiny wins that matter more than we admit The lessons that arrive disguised as chaos And the moments where the world makes sense for just long enough to write them down These essays are sharp funny vulnerable and brutally honest a reminder that personal development isn t a mountaintop It s a daily lap A daily choice A daily reset It s a journey And it starts every single morning at 9AM Whether you re here for the storytelling the soul searching or just a reason to keep swinging one more day It s 9AM gives you what you need most A spark A breath A nudge forward A reminder you re not alone

Excellent Habits - a guide Chris Lowry, 2024-01-20 Habits and routines are often the key to achieving success in any area of life They help us to streamline our actions reduce decision fatigue and create a sense of structure and order in our lives By incorporating positive habits and routines into our daily lives we can create a solid foundation for success and build momentum towards our goals One of the most significant benefits of developing positive habits and routines is that they help to establish a sense of discipline and consistency When we have set times and behaviors for specific tasks we re more likely to follow through with them This consistency creates a sense of reliability and can help us to build trust with others as well as our own self confidence Another advantage of developing positive habits and routines is that they help to improve our productivity When we know what to expect and how to go about our daily tasks we waste less time and can accomplish more in less time By prioritizing our tasks and having a structured plan for how we approach them we can avoid the feeling of being overwhelmed and can focus on the most important tasks at hand Moreover positive habits and routines can also have a positive impact on our mental and physical health Engaging in healthy habits such as regular exercise meditation and a balanced diet can help us to manage stress increase our energy levels and improve our overall well being Incorporating regular breaks and time for self care into our routines can also help to prevent burnout and increase our resilience in the face of challenges Developing positive habits and routines requires discipline patience and a willingness to stick to a plan It may be challenging at first but with consistent effort it becomes easier over time Start by identifying the areas in your life that could benefit from positive habits and routines Create a plan for how you will incorporate these habits into your daily life and then commit to following through with that plan developing positive habits and routines can have a significant impact on
