suited to a world not anchored in territorial borders Online Dispute Resolution ODR originally an off shoot of Alternative Dispute Resolution ADR takes advantage of the speed and convenience of the Internet becoming the best and often the only option for enhancing consumer redress and strengthening their trust in e commerce This book provides an in depth account of the potential of ODR for European consumers offering a comprehensive and up to date analysis of the development of ODR It considers the current expansion of ODR and evaluates the challenges posed in its growth The book proposes the creation of legal standards to close the gap between the potential of ODR services and their actual use arguing that ODR if it is to realise its full potential in the resolution of e commerce disputes and in the enforcement of consumer rights must be grounded firmly on a European regulatory model *PC/Computing* ,1996-10 *Frommer's England From \$70 a Day* Darwin Porter,Danforth Prince,2000-03-15 Written by travel veterans with a nose for comfort Accuracy high Details magazine Everything You Need for an Unforgettable and Affordable Trip Inviting places to stay from restored Victorian townhouses to cozy country cottages for as little as 32 per person a night with breakfast Great dining at unbelievably low prices from 8 ploughman s pub lunches to 18 roast beef and Yorkshire pudding feasts All the sights from medieval castles to the British Museum plus insider tips on how to explore England for less by train bus or car Low cost nightlife theater discounts arts festivals pub crawls and more Detailed accurate city and regional maps Frommer s The Name You Can Trust Find us online at [www.frommers.com](http://www.frommers.com) Brandweek ,2008
