**Rumor 1, 2, 3** Nancy Oleksy, 2023-05-09 A single mom with two teenagers a small picture perfect town four best friends and a busy local newspaper office provide the setting for Rumor 1 2 3 When our perky community news editor inadvertently starts a rumor she can scarcely imagine that the entire town will hear of it and find so many helpful and sometimes humorous ways to get involved When a second rumor also comes to life speculation abounds and it seems everyone has an idea about its origin and its possible outcome It becomes a mystery that the town wants to solve and it spreads like soft butter on warm toast And if you can imagine a third rumor also rears its head and the future of the beautiful town may be at stake Rumor 1 2 3 winds through the lives of the town s various residents who all in one way or another become affected by the three rumors The book sometimes becomes a bit of a mystery and other times a glimpse into human nature Rumor 1 2 3 includes some moments of acquired wisdom and growth for the optimistic newspaper editor her family friends and hopefully the readers What first started as a rather innocent remark made to friends Rumor 1 2 3 takes a surprising path with unexpected consequences for the whole town Even with its twists and turns it is a lighthearted upbeat story sure to make the reader wonder what could possibly be the outcome Daily Report on Labor-management Problems ,1947 **Congressional Record** United States.
