Of Mice and Men

John John Steinbeck,2021-07-19 John Steinbeck s Of Mice and Men published in 1937 is one of the author s most widely read novels largely due to its ubiquitous presence in the high school curriculum As a result this mythic story of two opposites the clever wiry George Milton and the lumbering powerful Lennie Small has assumed an important place in the American literary canon The novel is deceptively simple it is short and straight forwardly written But beneath this approachable surface Steinbeck explores mysterious and haunting themes largely pivoting on the search for comfort decency and companionship in a lonely cruel world Of Mice and Men was Steinbeck s seventh novel Though he had achieved critical and popular success with his two preceding novels Tortilla Flat 1935 and In Dubious Battle 1936 Of Mice and Men was an instant success on another level altogether The book was chosen as a Book of the Month club selection and garnered Steinbeck the financial stability and creative confidence necessary for his embarkation on his subsequent novel The Grapes of Wrath 1939 which continues to be viewed as the best work of his career

Of Mice and Men by John Steinbeck

John Steinbeck,1869-03 Two migrant field workers in California on their plantation during the Great Depression George Milton an intelligent but uneducated man and Lennie Small a bulky strong man but mentally disabled are in Soledad on their way to another part of California They hope to one day attain the dream of settling down on their own piece of land Lennie s part of the dream is merely to tend and pet rabbits on the farm as he loves touching soft animals although he always accidentally kills them This dream is one of Lennie s favorite stories which George constantly retells They had fled from Weed after Lennie grabbed a young woman s skirt and would not let go leading to an accusation of rape It soon becomes clear that the two are close and George is Lennie s protector despite his antics After being hired at a farm the pair are confronted by Curley the Boss s small aggressive son with a Napoleon complex who dislikes larger men Curley starts to target Lennie Curley s flirtatious and provocative underaged wife to whom Lennie is instantly attracted poses a problem as well In contrast the pair also meets Candy an elderly ranch handyman with one hand and a loyal dog and Slim an intelligent and gentle jerkline skinner whose dog has recently had a litter of puppies Slim gives a puppy to Lennie and Candy whose loyal accomplished sheep dog was put down by fellow ranch hand Carlson In spite of problems their dream leaps towards reality when Candy offers to pitch in 350 with George and Lennie so that they can buy a farm at the end of the month in return for permission to live with them The trio are ecstatic but their joy is overshadowed when Curley attacks Lennie who defends himself by easily crushing Curley s fist while urged on by George Nevertheless George feels more relaxed to the extent that he even leaves Lennie behind on the

ranch while he goes into town with the other ranch hands Lennie wanders into the stable and chats with Crooks the bitter yet educated stable buck who is isolated from the other workers due to being black Candy finds them and they discuss their plans for the farm with Crooks who cannot resist asking them if he can hoe a garden patch on the farm albeit scorning its possibility Curley's wife makes another appearance and flirts with the men especially Lennie However her spiteful side is shown when she belittles them and threatens to have Crooks lynched The next day Lennie accidentally kills his puppy while stroking it Curley's wife enters the barn and tries to speak to Lennie admitting that she is lonely and how her dreams of becoming a movie star are crushed revealing her personality After finding out about Lennie's habit she offers to let him stroke her hair but panics and begins to scream when she feels his strength Lennie becomes frightened and unintentionally breaks her neck thereafter and runs away When the other ranch hands find the corpse they form into a lynch mob intent on killing him then send for the police before beginning the search George then quickly realizes that their dream is at an end and hurries to find Lennie hoping he will be at the meeting place they designated in case he got into trouble the riverbank where they camped at the start of the book George meets Lennie at their camping spot before they came to the ranch The two sit together and George retells the beloved story of the dream despite knowing it is something they will never share Upon hearing the lynch mob near them George shoots Lennie knowing it to be a more merciful death than that at the hands of a mob Curley Slim and Carlson arrive seconds after Only Slim realizes what happened and consolingly leads him away Curley and Carlson look on unable to comprehend the subdued mood of the two men

The Relationship between George and Lennie in *Of Mice and Men* Carolin Kollwitz, 2003-04-27 Seminar paper from the year 2000 in the subject American Studies Literature grade 2.0 B Humboldt University of Berlin Institute for Anglistics American Studies language English abstract Preface John Steinbeck was doubtless one of the United States best writers His books are still counted among the great American classics of their time and next to *The Grapes of Wrath* it was his novel *Of Mice and Men* that reached international popularity The book's unique story is concerned with George and Lennie two migrant farm workers and their dream of owning land The present paper will give a short introduction into the life and works of John Steinbeck and into the America of the 1930ies in order to give necessary background information on the writer himself and the story This paper will deal with the two main characters' relationship and the unique dream they share What kind of persons are George and Lennie What makes them so different from all the other farm hands The most important matter ought to be discussed in this paper is their dream and the impact it has on their lives I want to point out how it influences them and if it is rather an utopian dream or a true aim that they want to achieve Furthermore by a close examination of Lennie's death I want to discuss what George's intention of killing Lennie was Furthermore I will be dealing with the question of guilt in this context Finally I will sum up my results in the conclusion containing thoughts and facts about one of the best books which has ever been written and which was a pleasure of reading for me
