Buy Now Emily West,2022-02-22 How Amazon combined branding and relationship marketing with massive distribution infrastructure to become the ultimate service brand in the digital economy Amazon is ubiquitous in our daily lives we stream movies and television on Amazon Prime Video converse with Alexa receive messages on our smartphone about the progress of our latest orders In Buy Now Emily West examines Amazon s consumer facing services to investigate how Amazon as a brand grew so quickly and inserted itself into so many aspects of our lives even as it faded into the background becoming a sort of infrastructure that can be taken for granted Amazon promotes the comfort and care of its customers but not its workers to become the ultimate service brand in the digital economy West shows how Amazon has cultivated personalized intimate relationships with consumers that normalize its outsized influence on our selves and our communities She describes the brand s focus on speedy and seamless ecommerce delivery represented in the materiality of the branded brown box the positioning of its book retailing media streaming and smart speakers as services rather than sales and the brand s image control strategies West considers why pushback against Amazon s ubiquity and market power has come mainly from among Amazon s workers rather than its customers or competitors arguing that Amazon s brand logic fragments consumers as a political bloc West s innovative account the first to examine Amazon from a critical media studies perspective offers a cautionary cultural study of bigness in today s economy Real Estate Today ,1988 *Your Data Will Be Used Against You* Andrew Guthrie Ferguson,2026-03-17 This book is a stark warning about how smart devices and digital self surveillance will be turned against us by police prosecutors and political whims Provided by publisher Today's Video Peter Utz,2006 In a society that is increasingly steeped in video culture the role of videographer is more and more prominent Here is a do it yourself guide to videography that offers comprehensive information for anyone working in or hoping to enter this fast growing field Written by an educator this revised and updated manual provides detailed information on shooting and editing videos It begins with basic concepts and progresses through all facets of video equipment and technique Discussions deal not only with the mechanics of shooting a video but also with the artistry involved Special emphasis is placed on pre production planning and the necessity of considering subject as well as audience Helpful hints on production staging and budgeting are also included Mini glossaries within the sections define important terms The final section is devoted to in depth strategies for shooting specific types of videos including newscasts legal corporate and music videos and weddings and other events **A Commercial Law of Privacy and Security for the Internet of Things** Stacy-Ann Elvy,2021-07-29 Elvy explores the consumer ramifications of the Internet of Things through the lens of the commercial law of privacy and security **Current Opinion ...** Edward Jewitt Wheeler, Frank Crane,1924 Reading Today Ethel McCrossin Orr,1949 *Current Opinion* Frank Crane,Edward Jewitt Wheeler,1924 *English Adverbials* Don Lee Fred Nilsen,2017-12-04 No detailed description available for English Adverbials *Machine Vision* Jill Walker Rettberg,2023-09-11 Humans have used technology to expand

our limited vision for millennia from the invention of the stone mirror 8 000 years ago to the latest developments in facial recognition and augmented reality We imagine that technologies will allow us to see more to see differently and even to see everything But each of these new ways of seeing carries its own blind spots In this illuminating book Jill Walker Rettberg examines the long history of machine vision Providing an overview of the historical and contemporary uses of machine vision she unpacks how technologies such as smart surveillance cameras and TikTok filters are changing the way we see the world and one another By analysing fictional and real world examples including art video games and science fiction the book shows how machine vision can have very different cultural impacts fostering both sympathy and community as well as anxiety and fear Combining ethnographic and critical media studies approaches alongside personal reflections Machine Vision is an engaging and eye opening read It is suitable for students and scholars of digital media studies science and technology studies visual studies digital art and science fiction as well as for general readers interested in the impact of new technologies on society The Atlantic Monthly ,1924 **Corporate Innovation** Donald F. Kuratko,Michael G. Goldsby,Jeffrey S. Hornsby,2025-01-29 Whether you want to become a successful innovator within your organization or develop an environment that spawns an innovative mindset Corporate Innovation 2nd edition can be helpful to you Accomplished entrepreneurs create successful new ventures and implement them successfully To do this consistently takes a blend of entrepreneurship creativity innovation and knowing how to make teams work effectively The concepts behind corporate innovation mirror many of these same principles This revised edition will help you develop an understanding of an innovative organization the specific processes involved in corporate innovation and how to assess your organization s readiness for entrepreneurial activity and innovation It will help you learn how to get more ideas successfully to market and how to write effective innovation plans for the implementation of innovative ideas As opposed to simply entrepreneurship or technology entrepreneurship the principal focus of this book is new product and service innovations developed inside existing organizations What distinguishes structures for innovation from the processes for innovation will be explored The corporate innovation process chapter examines the various stage gate and other non linear models in the new product development literature Finally since it is about disruption in today s industries we explore the outcomes that are being accelerated and specify the kinds of metrics that are involved Corporate Innovation 2nd edition helps you to understand innovation by explaining the four stages of the innovation process how to improve your skills in the innovation process and unleash your personal innovative abilities In addition you will find ways to assess the organization s attitudes toward innovation giving you insights into how to diagnose creative and innovative performance barriers in the organization Essential reading for students of corporate innovation corporate ventures corporate strategy or human resources this book also speaks to the specific needs of active managers charged with the expectation of enhancing the innovative prowess of their organization Instructors outlines lecture slides and a test bank round out the ancillary online resources for this title **American Magazine** ,1954
