National Assembly Official Record (Hansard) ,2008-07-10 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya     *Election 2007* R.J. May,Ray Anere,Nicole Haley,Katherine Wheen,2013-09-23 Papua New Guinea s general election in 2007 attracted particular interest for several reasons Not only did it follow what was widely acknowledged as the country s worst election ever in 2002 in which elections in six of the country s 109 electorates were declared to be failed elections it was the first general election to be held under a new limited preferential voting system It also followed the first full parliamentary term under the Organic Law on the Integrity of Political Parties and Candidates which had been introduced in 2001 in an attempt to strengthen political parties and create a greater degree of stability in the national parliament and was the first to embrace a whole of government approach to electoral administration through an Interdepartmental Electoral Committee This volume provides an analysis of the 2007 election drawing on the work of a domestic monitoring team organized through the National Research Institute and several visiting scholars It addresses key issues such as voter education electoral administration election security the role of political parties women as candidates and voters the shift to limited preferential voting and HIV transmission and provides detailed accounts of the election in a number of open and provincial electorates It is generally agreed that the election of 2007 was an improvement on that of 2002 But problems of electoral administration and voting behaviour remain These are identified in this volume and recommendations made for electoral reform     **Delphi Complete Works of H.
