Moby Dick Herman Melville, 2014-05-07 Moby Dick is Herman Melville's 19th century American classic about vengeful Captain Ahab and his quest to find and destroy the rogue sperm whale that took his leg In addition to serving as an exciting whaling adventure Moby Dick provides incisive commentary on the vanity of man the evils of revenge and the existence of god

Moby Dick Herman Melville, 2021-04-29 Moby Dick is the story of Captain Ahab's quest to avenge the whale that reaped his leg The quest is an obsession and the novel is a diabolical study of how a man becomes a fanatic But it is also a hymn to democracy Bent as the crew is on Ahab's appalling crusade it is equally the image of a cooperative community at work all hands dependent on all hands each individual responsible for the security of each

Moby Dick Herman Melville, 2020-08-02 On a previous voyage a mysterious white whale had ripped off the leg of a sea captain named Ahab Now the crew of the Pequod on a pursuit that features constant adventure and horrendous mishaps must follow the mad Ahab into the abyss to satisfy his unslakeable thirst for vengeance Narrated by the cunningly observant crew member Ishmael it is the tale of the hunt for the elusive omnipotent and ultimately mystifying white whale Moby Dick On its surface Moby Dick is a vivid documentary of life aboard a nineteenth century whaler a virtual encyclopedia of whales and whaling replete with facts legends and trivia that Melville had gleaned from personal experience and scores of sources But as the quest for the whale becomes increasingly perilous the tale works on allegorical levels likening the whale to human greed moral consequence good evil and life itself Who is good The great white whale who like Nature asks nothing but to be left in peace Or the bold Ahab who like scientists explorers and philosophers fearlessly probes the mysteries of the universe Who is evil The ferocious man killing sea monster Or the revenge obsessed madman who ignores his own better nature in his quest to kill the beast Scorned by critics upon its publication Moby Dick was publicly derided during its author's lifetime Yet Melville's masterpiece has outlived its initial
