# Moby Dick

HERMAN MELVILLE

The background of the cover is a stylized, layered illustration of the ocean. It features various shades of blue and white, with wavy, overlapping shapes that suggest the movement of water. In the foreground, the head and tail of a whale are depicted in a dark, almost black color, with white highlights that suggest texture and light reflecting off its skin. The whale's head is on the right side, and its tail is on the left side, both pointing towards the center. The overall style is reminiscent of a watercolor or a layered paper cutout.
