## Clash

Nirmalya Kumar,2024-03-15 Amazon and Walmart with more than half a trillion in revenues annually are the two largest companies in the world They have not only redefined the retail industry Walmart in the 1980s 1990s and Amazon since 2000 but have also been the benchmark for business best practices e.g. the use of IT supply chain data analytics customer orientation This year it is anticipated that Amazon will dethrone Walmart as the world's largest company a position that Walmart has occupied for more than two decades By examining these two companies and their business models in depth Professor Nirmalya Kumar elucidates on the more general phenomenon of incumbents competing with disruptors e.g. Volkswagen vs Tesla Marriott vs Airbnb as well as the move to omnichannel retail where physical stores must coexist with online retailers

Moscow Prime Time Kristin Roth-Ey,2011-05-15 When Nikita Khrushchev visited Hollywood in 1959 only to be scandalized by a group of scantily clad actresses his message was blunt Soviet culture would soon consign the mass culture of the West epitomized by Hollywood to the dustbin of history In Moscow Prime Time a portrait of the Soviet broadcasting and film industries and of everyday Soviet consumers from the end of World War II through the 1970s Kristin Roth Ey shows us how and why Khrushchev's ambitious vision ultimately failed to materialize The USSR surged full force into the modern media age after World War II building cultural infrastructures and audiences that were among the world's largest Soviet people were enthusiastic radio listeners TV watchers and moviegoers and the great bulk of what they were

consuming was not the dissident culture that made headlines in the West but orthodox made in the USSR content This then was Soviet culture s real prime time and a major achievement for a regime that had long touted easy everyday access to a socialist cultural experience as a birthright Yet Soviet success also brought complex and unintended consequences Emphasizing such factors as the rise of the single family household and of a more sophisticated consumer culture the long reach and seductive influence of foreign media and the workings of professional pride and raw ambition in the media industries Roth Ey shows a Soviet media empire transformed from within in the postwar era The result she finds was something dynamic and volatile a new Soviet culture with its center of gravity shifted from the lecture hall to the living room and a new brand of cultural experience at once personal immediate and eclectic a new Soviet culture increasingly similar in fact to that of its self defined enemy the mass culture of the West By the 1970s the Soviet media empire stretching far beyond its founders wildest dreams was busily undermining the very promise of a unique Soviet culture and visibly losing the cultural cold war Moscow Prime Time is the first book to untangle the paradoxes of Soviet success and failure in the postwar media age *From Hang Time to Prime Time* Pete Croatto,2020-12-01 Perfect for fans of Moneyball and The Book of Basketball this vivid thoroughly entertaining and well researched book explores the NBA s surge in popularity in the 1970s and 1980s and its transformation into a global cultural institution Far beyond simply being a sports league the NBA has become an entertainment and pop culture juggernaut From all kinds of team logo merchandise to officially branded video games and players crossing over into reality television film fashion lines and more there is an inseparable line between sports and entertainment But only four decades ago this would have been unthinkable Featuring writing that leaps off the page with energy and wit journalist and basketball fan Pete Croatto takes us behind the scenes to the meetings that lead to the monumental American Basketball Association National Basketball Association merger in 1976 revolutionizing the NBA s image He pays homage to legendary talents including Julius Dr J Erving Magic Johnson and Michael Jordan and reveals how two polar opposite rookies Larry Bird and Magic Johnson led game attendance to skyrocket and racial lines to dissolve Croatto also dives into CBS s personality driven coverage of key players as well as other cable television efforts which launched NBA players into unprecedented celebrity status Essential reading whether you re a casual or longtime fan From Hang Time to Prime Time is an enthralling and entertaining celebration of basketball history *The Country Gentleman*,1900 *Rebalancing the economy* Great Britain: Parliament: House of Commons: Business, Innovation and Skills Committee,2011-07-11 Additional written evidence is contained in volume 3 available on the Committee website at www.parliament.uk bis *South* ,1990 *All the Prime Minister's Men* Janardan Thakur,1977 On the alleged misuse of power and corrupt practices of politicians and officials during the previous administration of India *The Bulletin* ,2007 *Timber and Wood-working Machinery* ,1890 *Canada Lumberman* ,1899 *Paint, Oil and Drug Review* ,1890 **Summary of World Broadcasts** British Broadcasting Corporation.
