**Voice of Her Own** Marlene A. Schiwy, 1996-05-27 As writers such as Virginia Woolf, Audre Lorde and Anais Nin recognized, keeping a journal is a powerful tool of creative expression and self healing. In *A Voice of Her Own*, a companion for both new and longtime diarists, Marlene Schiwy shows that journal writing is the ideal way to find one's individual voice and an opportunity for women to explore feelings, intuitions, perceptions and ideas often suppressed in our society and to record the truths of their own experience. Schiwy invites readers to share the journeys other women have made toward selfhood and encourages them to begin a journey of their own. She weaves together passages from published and unpublished journals from works of literature, psychology and women's studies with her personal insights. *A Voice of Her Own* is a treasure chest of inspiration for every woman seeking deeper self awareness and new outlets for creativity.

**The Dragonfly Diary** Taylor C. DelGrosso, 2025-10-28 Grief broke me. Signs healed me. This is the story of both. When Taylor lost her grandmother, life as she knew it shattered. But in the stillness of heartbreak, something unexpected happened: dragonflies began to appear, bringing comfort, hope and a connection that transcended life and death. *The Dragonfly Diary* is a raw and uplifting memoir about navigating the depths of grief and discovering healing through the signs that surround us. From spiritual awakenings and unexplainable encounters to a newfound purpose as a grief coach, Taylor's journey is a testament to the resilience of the human spirit and the unseen bonds that never break. For anyone who has ever loved and lost, this is a story of hope, healing and the extraordinary ways our loved ones remind us they're still near.

**Textures of Belonging** Andreea Racles, 2021-07-16 The longstanding European conception that Roma and non-Roma are separated by unambiguous socio-cultural distinctions has led to the construction of Roma as non-belonging others. Challenging this conception, *Textures of Belonging* explores how Roma negotiate and feel belonging at the everyday level. Inspired by material culture, sensorial anthropology and human geography approaches, this book uses ethnographic research to examine the role of domestic material forms and their sensorial qualities in nurturing connections with people and places that transcend socio-political boundaries.

**The Architects' Journal**, 2002    *British Medical Journal*, 1884    *Friends Journal*, 2003    *The Inman Diary* Arthur Crew Inman, 1985 Between 1919 and his death by suicide in 1963, Arthur Crew Inman wrote what is surely one of the fullest diaries ever kept by any American. Convinced that his bid for immortality required complete candor, he held nothing back. This abridgment of the original 155 volumes is at once autobiography, social chronicle and an apologia, addressed to unborn readers. Into this fascinating record, Inman poured memories of a privileged Atlanta childhood, disastrous prep school years, a nervous collapse in college followed by a bizarre life of self-diagnosed invalidism. Confined to a darkened room in his Boston apartment, he lived vicariously through newspaper advertisements; he hired talkers to tell him the stories of their lives and he wove their strange histories into the diary. Young women in particular fascinated him. He studied their moods, bought them clothes, fondled them and counseled them on their love affairs. His marriage in 1923 to Evelyn Yates, the heroine of the diary, survived a series of melodramatic episodes. While reflecting on national politics, waifs and revolutions,

Inman speaks directly about his fears compulsions fantasies and nightmares coaxing the reader into intimacy with him Despite his shocking self disclosures he emerges as an oddly impressive figure This compelling work is many things a case history of a deeply troubled man the story of a transplanted and self conscious southerner a historical overview of Boston illuminated with striking cityscapes an odd sort of American social history But chiefly it is as Inman himself came to see a gigantic nonfiction novel a new literary form As it moves inexorably toward a powerful denouement The Inman Diary is an addictive narrative    **The Student's Journal** ,1880    Learning Over Time: How Professionals Learn, Know and Use Knowledge Nona Lyons,Carmel Halton,2017-09-20 This book takes up a provocative question What do people learn and know from engaging in studies or from an experience of change and transition Learning of professionals sometimes questioned is surprisingly seldom seriously researched Drawing on their own research the contributors of this book present a set of case studies of learning in diverse disciplinary domains and document what people say they learn and know and how they use this knowledge The authors consider implications for practice and research on learning from transitions and change    Baby's First Year Journal A. Christine Harris,1999    *Family Lyceum* ,1833    **American Printer and Bookmaker** ,1886    *The London Journal: and Weekly Record of Literature, Science, and Art* ,1877    Historical Records of New South Wales: King, 1803, 1804, 1805 ,1897    **Historical Records of New South Wales: Papers relating to King, 1803-1805. 1897** ,1897
