

Short Essay

My Favorite Game

My favorite game is football, also known as soccer. It is a popular sport played by two teams, each trying to score goals by kicking the ball into the opponent's net. Football is exciting and fast-paced, which is why I love it.

I enjoy playing football because it keeps me fit and active. Running, passing, and kicking the ball require a lot of energy, and I feel stronger every time I play. I often play football with my friends at school during recess or after classes. It is a great way to have fun and bond with them.

Watching football matches on TV is another thing I love. My favorite football player is Lionel Messi because of his amazing skills and dedication. His moves on the field inspire me to practice and improve my game. Football is more than just a game for me. It teaches important values like teamwork, discipline, and perseverance. Working together with my teammates to score a goal feels very rewarding.

Playing football makes me happy and energetic. It is not just about winning but also enjoying the process and learning from every game. Football is truly my favorite sport, and I always look forward to playing it.
