11 Truths Jack Kozakar,2012-04 God Is he real Do I believe in him Does he believe in me Does he love me What is my purpose Are not these the big questions They are the questions that must be addressed and most people would tell you that there are no answers As for the people who would tell you their answers dogma for the most part Face it if the message of any organized religion was actually what it pretends to be all people would be united in common truth If only it were that way These 11 truths will bring you along the path of finding and knowing God and yourself in a way that the organized religions of the world could never do This book will change your life and the way you see everything
