**THE HUMAN SKULL IS THE HOUSE OF GOD** William John Meegan,2024-06-18 Religion Esotericism Psychology The first Hebrew word inscribed into the sacred scriptures is BERESHITH The three middle letters in the Hebrew word BERESHITH spells out the Hebrew letter word RESH that symbolizes HEAD SKULL And the first and last two Hebrew letters in the Hebrew word BERESHITH spells out the Hebrew letter word BETH that symbolizes HOUSE That is why I translated the Hebrew word BERESHITH THE HUMAN SKULL IS THE HOUSE OF GOD It is quite interesting to envisage that the first two Hebrew letters BETH and RESH in the Judaeo Christian Scriptures spells out the first word of Genesis BERESHITH In the Beginning was considered in antiquity and in modern times to be the interpretation of the Hebrew word BERESHITH In this volume I will illustrate that the first letter of the BIBLE BETH though it is not translated as in the Beginning it does mystically symbolize the phrase In the Beginning The first chapter of Genesis is a commentary on the first Hebrew letter BETH and it is also a commentary on the VESICA PISCIS The first Hebrew letter of the Bible BETH is mystically inundated and surrounded by another Hebrew letter called PEI that cannot be seen which is literally invisible for anybody to see PEI has the gematria numerical value of eighty 80 And BETH has the gematria numerical value of forty hundred and twelve 412 The first chapter of Genesis has sixty nine 69 groups of one hundred and forty two 142 Hebrew words held together by eighty 80 hyphens however the number one hundred and forty two 142 is a transposition of the number four hundred and twelve 412 Chapter six 6 will illustrate the sixty nine 69 groups of words colored coded in orange The number sixty nine 69 is a very spiritual number which will be discussed later in this volume Chapter six 6 is written with Hebrew and English words with STRONGS EXHAUSTIVE CONCORDANCE S numbers placed over the Hebrew and English words *Ch. 1-8* Augustus J. Thébaud,1878 Mysteries of the Bible Glenn Ahrens,2022-07-06 There are so many stories and rumors about the Bible that it really frustrates me From the lost books of the Bible to interpretations that are not even close to the real thing As Christians we profess to believe in one God and one Bible The million dollar question is how do we get well over nine thousand different religions that all claim to believe in the same thing After fifteen years of research and scholastic training I wrote this book with the purpose of getting out the truth about the Bible going back to the original Greek and Hebrew and eyewitness accounts from people that lived in the time of Jesus I categorically prove step by step how despite the diverse sources and writers of the Bible all the books of the Bible belong where they are and are divinely inspired or divinely written Also that every book chapter and verse belongs exactly where it is and fits together like a puzzle There is an intricate web of mysteries that tie it all together I thoroughly explain seven of these mysteries and how they hold the Bible together It is time that the truth be known about the Bible and have the stories and rumors put to rest for once and for all I spent over fifteen

years of my life dedicated to that This book is based solely on fact and history with no interpretations added unless I say it s my opinion
