My Heart Will Smile Again:

My Home Is Where My Heart Is Edith Gross Prigge,2018-03-05 My Home is Where My Heart Is and my heart is right here in the Northwoods of Wisconsin Yet part of me will always belong to the old country since two of my kids and their families still live in Switzerland I am remarried now and also have four stepchildren and five step grandchildren All together we have eight kids now and four of them live within sixty miles from us How much better could I have it Some of my great grandkids live in the area too and so we can also be part of their lives But being retired gave us the time to visit the others more often Dennis Prigge and I were married in July 2002 He lived in Missouri and I was here in the Northwoods At first I thought I would move to be with him after I retired Then one day Dennis asked me What would you say if we stay right here in Wisconsin He said I lit up like a Christmas tree Oh yes I would like to stay right here where I have lots of family and friends So in November 2002 we bought this little log cabin I retired in February 2004 and now we have the rest of our lives to remodel our little log cabin in the woods It is still a work in progress But I now can sit back and enjoy the last years of my life however many it will be My heart has finally found peace and happiness
