## **My Journey To Freedom And Ultralight Backpacking Volume 1:**

**My Journey to Freedom and Ultralight Backpacking** Carol Wellman, 2003-02-01 This is the inspiring account of her adventures of hiking thousands of miles mostly alone from Mexico to Canada through the Mojave Desert and the High Sierra and then in the Appalachian Mountains from Georgia to Maine When she hasn't been hiking she has been designing ultralight backpacking gear award winning gear that has been acclaimed not only nationally but internationally as well She shares her ultralight hiking expertise here as well as some of her designs and sewing techniques There are detailed instructions for making 12 important gear items including her 8 ounce silnylon backpack She also includes her latest gear list with weights and information on resupply and ultralight hiking in winter Just want to say a thumbs up to Brawny's new book My Journey to Freedom and Ultralight Backpacking There is a lot of information regarding what she carried for the PCT and AT ultralight gear cook systems shelters clothing etc along with chapters on how to make your own gear It might be helpful to some of you who are trying to eliminate the excess bulk and weight You can read more about it and also order it on [www.trailquest.net](http://www.trailquest.net) It's \$14.95 plus \$2.00 for shipping It's autographed too Congratulations to Brawny for a terrific book Carol Reese I picked up Brawny's book with some mixed feelings But you know now I can't put it down I'm SO impressed by her She did her hikes on a shoestring budget by making/modifying most of her gear She took responsibility for her own happiness and she rebuilt a life as full and rich as I could ever hope to have J W My copies of Brawny's book arrived Thursday Most excellent I have not finished reading yet but very much like the style in which it is written Some books have a feeling that the author is trying to make you like what they are writing so what is presented is subject to skepticism but all I feel from Brawny's book is genuine I enjoyed some of the insights which were either not noted in her journals or reflected on again from a slightly different perspective maybe with hot coffee in a real mug with real food simmering on a stove and possibly rain OUTSIDE lol Even though I have read Brawny's journals and knew some of the information I still enjoyed reading it again I am only sad that when I finish the book I will have finished it Sort of like running out of trail on a long hike I would think Anyway thank you for putting your experiences into a good read Joanne Feige I have just finished reading and very thoroughly enjoying Brawny Wellman's great new book My Journey to Freedom and good to read trailstories nice nature descriptions and all the tips A superb combination A book one has to read if he/she is interested in ultra lightweight hiking And congratulations to Brawny that she can enjoy her life now My mother took almost 20 years after her divorce to free herself mentally from her unhappy marriage Harald Loeffel Austria
