Cindy Eyler,2007-12-23 Seeing dead people through a child's eyes was a scary daily occurrence for Cindy Eyler. This true story of seeing the deceased is full of eye opening experiences of how the spirit world interacts with our physical world. Hear how those who have crossed over still interact with us whether we are conscious of it or not. Learn what happens to some when they cross over whether from natural causes illness or suicide. Take a journey through a Medium's eyes. Understanding where our deceased loved ones reside. A journey to and connecting with angels. Increased awareness of the spirit world. Communicating with the deceased. Healing relationships with the deceased. Suicide and the Afterlife. How to coexist and work with the spirit world. We all have an eternal spirit whether it resides in a physical or spirit form. One thing you will realize: Death is not an end rather a new beginning. The Jewish Book of Grief and Healing Stuart M.
