My Life For Yours A Walk Though The Christian Home:

My Life for Yours Douglas Wilson, 2004-01-01 How does life in each room of your home manifest the Gospel? The Christian gospel isn't just a spiritual reality. The Word became flesh and bone and the gospel becomes our porch, dining room, bedroom, and kitchen. The driving desire of the gospel is my life for yours. Our desire should be to have this love transform everything we do room by room. This book works its way through every part of the house examining each part in light of Scripture. The claims of God are always total and this is evident on the doorposts and in a sink full of dishes. Self-centeredness destroys in monotonously similar ways. Giving up life for another produces a harvest of kindness and mercy. Household questions should always begin with is this my life for yours.

A Time to Heal Tiffany Edgecombe, 2011-04 Tiffany Edgecombe has been through the most terrible of rape experiences and yet she has emerged with a faith in God stronger than ever before. The now ordained minister shares how she has overcome sexual abuse and the struggles and challenges that ensue. She shares how God has used the tragedy for good not only for her but for all those whose lives she has had the privilege to touch. See how with God by your side you too can experience complete healing, joy and love again. As a Christian God wants to free you from the shackles that are holding you back. He wants you to let go of the guilt, shame, fear and unforgiveness you may be feeling and journey down the road to fulfilling His divine purpose for your life. Do not let the enemy deter you from the very reason God has placed you on this earth. Instead let God be your strength to move on. Now is your time to heal.

Ready or Not, Here I Come Lloyd J. Vogan, 2012-12-12 What a difference a day can make! Events that happen to us on any given day can change our lives forever. What about the day after high school graduation? What about the day after you get married? The day after your first child is born? Your life will never be the same after events such as these. But there is another day coming which will come without warning and change the whole world overnight. It will be the end of this age. You will either be ready for it and survive or not be ready and endure the result. Author Lloyd J. Vogan's *Ready or Not Here I Come* is about how to survive the future, your future. Learn the truth about who you really are. There is much more to you than what you see in the mirror. He teaches you the difference between joy and happiness. Discover how to have a peace within you that surpasses all human understanding regardless of the circumstances you may be in at present. You are at the crossroads and need to decide which path to follow—the broad one that many are on, which seems so right, or the narrow one that leads to your eternal security. Everything is at stake. *Ready or Not Here I Come* explains in simple language what you need to know to make the right choice.
