My Life On The Road:

My Life on the Road Gloria Steinem, 2015-10-29 THE INSPIRATION BEHIND THE HIT BBC SERIES MRS AMERICA Gloria Steinem had an itinerant childhood Every fall her father would pack the family into the car and they would drive across the country in search of their next adventure The seeds were planted Steinem would spend much of her life on the road as a journalist organizer activist and speaker In vivid stories that span an entire career Steinem writes about her time on the campaign trail from Bobby Kennedy to Hillary Clinton her early exposure to social activism in India organizing ground up movements in America the taxi drivers who were vectors of modern myths and the airline stewardesses who embraced feminism and the infinite contrasts the surrealism in everyday life that Steinem encountered as she travelled back and forth across the country With the unique perspective of one of the greatest feminist icons of the 20th and 21st centuries here is an inspiring profound enlightening memoir of one woman s life long journey
