## **Conversations with the Other**

**Side** Sylvia Browne,2009-11-24 This book is a dissertation on life afterlife and reincarnation given by Sylvia Browne's spirit guide Francine. Within these pages you'll find a gnostic view of the world and the reason for life. As always we encourage the reader to take what you like and leave the rest behind. No single work can fully capture this enormous topic. We simply offer this book as a resting point in your lifelong search. Our goal and hopefully yours too is to stimulate your mind to seek God however you wish. We don't intend to replace your belief system. Rather we only hope to expand your view to include areas not yet explored. Each person will find and understand God in their own way. This book offers one path among billions to find God

**Psychic** Sylvia Browne,2011-04-07 PSYCHIC is the intimate first person unapologetic no holds barred story behind the story that Sylvia at the age of 72 is finally ready to tell. In PSYCHIC Sylvia will reveal the little known truths behind her three failed marriages including the physical abuse bankruptcy and legal troubles. While the press had a field day writing about it at the time Sylvia remained quiet until now. Sylvia will discuss her painful transitions and the financial and emotional damage inflicted by her husbands. And as an almost parenthetical lesson for all of us in forgiveness and compassion she'll describe the experience of moving husband Dal Brown back into her house to take care of him when she learned that he was alone and in failing health. Then there are Sylvia's own physical challenges from a series of painful hip surgeries to her relatively recent discovery that she'd suddenly gone blind in one eye so that at the age of 72 when she'd concluded that a limping one eyed woman was done when it came to romance no one was more shocked than she when the real Mr Right finally impossibly showed up

**The Nature of Good and Evil** Sylvia Browne,2009-11 We constantly see the senseless violence in our world and it begs the question How can an all loving God allow this to exist. Indeed many people simply reject any notion of God for this very reason. This book the third in Sylvia Browne's Journey of the Soul series gives you the philosophical framework to understand the nature of good and evil and the role of God in the big picture. When you see how evil originated and why it thrives in our world you're more prepared to face it and overcome it. Sylvia points out that you need not fear evil spirits or curses which are merely stories bred from ignorance. And how would you like to serve as one of God's warriors of Light. Sylvia explains how to enlist. By combining her philosophical and theological views Sylvia creates a spiritual umbrella that rises above traditional religion. All paths that lead to knowing God have merit
