The Wander Daze Part 1 and Things Go Wrong: the Wander Daze Part 2 Richard Lapinski Jr.,2022-07-07 The Wander Daze Part 1 and Part 2 is a satirical comedy about everyday life in a nursing home and the corporate world It flushes out thoughts feelings and impressions previously deemed unacceptable to acknowledge It does so in such a way that fully utilizes the healing power of laughter The Wander Daze embodies the spirit of laugh and world laughs with you cry and you cry alone It may shock anger and sadden you but amidst it all it will make you laugh not only at yourself but at life s ultimate plight It turns lemon into lemonade by taking a depressing fate and turning it on its head into a palatable experience All that is required is an open mind and a willingness not to take life or yourself too seriously So sit back and enjoy the Wander Daze and Things Go Wrong

Ready For Flynn, Part1 K.L. Shandwick,2021-10-31 She s his best friend s younger sister He s a bad boy player Sometimes fate attracts the forbidden Nothing feels real when you ve experienced tragedy unless you decide to take life by the throat Both Valerie and Flynn know life doesn t always offer second or third chances Experience doesn t necessarily come with age When a mutual attraction threatened to spark into desire Flynn s word is tested like never before first time Flynn left Valerie behind she never thought she d see him again The second time he left her heart bled But when both were offered this one last chance was what they had an impulse or an undeniable love Life is not a destination or a journey Forbidden temptations aren t always sordid Do reputations never change Some people are forever Taking chances may be reckless but the prizes can be great Is love always enough or will the heady temptations of fame prove too much

Warm Bricks at My Feet Marian Love,2014-04 By writing my family s memoirs I have tried to open a window into the life of my family first generation Danish immigrants who came to America not to escape an oppressive government or economic crisis but to seek ownership and control of their lives and their future I describe their love of family as well as their internal and cultural struggles My parents and siblings faced numerous challenges and uncertainties while raising a large family struggling through the Great Depression and renewing their determination amidst successes and failures joys and

tragedies My family wore the stamp of first generation immigrants with all the uncertainties of living in a new country and speaking only a foreign language Nevertheless we had the sense that we were special though our home clothes and other worldly possessions declared otherwise By some small miracle we all survived and achieved varying degrees of success each in our own way Writing this book has been a journey of heart and mind as I recount stories about my family and myself Like most children I seek to understand who I am from my origin and experiences My parents left indelible marks on me my siblings and the generations that have followed May this memoir enlighten and give context and a measure of insight to family and friends and all those who wonder about the experiences of life we share with our fellow travelers everywhere
