## **My Mothers Spice Cupboard:**

My Mother's Spice Cupboard Elana Benjamin, 2018-11-01 My Mother's Spice Cupboard is the true story of the author's Sephardi Jewish family's migration from Baghdad to Bombay now Mumbai to Sydney. Unlike most other Australian Jews, her parents were born and grew up in Bombay and her grandparents came from Iraq, Burma, and India. Her father's family immigrated to Sydney, her mother's to Los Angeles, both in the 1960s. They married in Sydney and raised their family there alongside the father's many brothers and sisters and members of their former Bombay community. Despite being Jewish, her upbringing was greatly influenced by the food, language, and culture of India, and to a lesser extent, Iraq. My Mother's Spice Cupboard is the story of what happened to a community which no longer exists, how its members built new lives in a different country, and what it was like to grow up as one of their children. It's also about how much things have changed over four generations in one family. The author's grandparents arranged marriage, produced nine children, both her parents grew up within the confines of Bombay's insular Baghdadi Jewish community, whereas she grew up as a first-generation Australian in Sydney. Her children's lives are underpinned by the differing Jewish traditions of her family and her husband's family. The themes underlying the story are those of family and community versus individuality, choice versus obligation, and tradition versus modernity. And underlying the entire narrative is the importance of food and cooking, which goes beyond the mere provision of sustenance to express warmth, love, and hospitality.

## **The Complete Guide to Getting and Staying**

**Organized** Karen Ehman, 2008-01-01 The key to good organization is not a one-size-fits-all method. It is a unique plan that considers personality, type, lifestyle, income level, and family schedule. Author and speaker Karen Ehman believes that with her simple step-by-step process, moms can recognize their own personal style of managing their households successfully and develop a unique plan that gives them the freedom to manage their time wisely, de-clutter, and organize their homes, plan menus, shop more efficiently, and become more comfortable and creative in the kitchen. Get children involved in pursuing an ordered life and home, avoid the trap of overcommitment, use practical tools to assist in organization. Getting and staying organized means more time for the important things in family life, concentrating on cultivating a close personal relationship with the Creator, drawing His word into every aspect of living, and ultimately tying their children's heartstrings to God.

*Mom 'N' Pop's Apple Pie 1950s Cookbook* Barbara Stuart Peterson, 2004-04 In this book, we return to those wonderful days of bean salad, baked beans, and green bean casseroles. We have selected recipes that recapture a spirit of simplicity and wholesomeness. These recipes were chosen with an eye to the recipes that mom inherited from grandma, ones she developed herself, and ones which capture the spirit of those times. In most cases, these are oven or stove-top meals, although in some cases, microwave instructions have also been included where they are appropriate.
