

blue & grey

What is my soul?
Draped over the bed of the day?
Somewhere down, and here we, please.
Only the light of a living day

Everyone looks happy.
Can you look at me? (as I am blue, I grey)
The meaning of the blues reflected in the mirror
The colors hidden in my smile, blue & grey

I don't know what is went wrong.
A blue question mark in my head since I was a child.
Maybe that's why I live so lonely.
But once I look back, once I stand still here
That melancholy shadow surrounds me up
The question mark still blue.
Is it unbreakable, melancholy?
Perhaps we really are diamonds of regret
Or perhaps we just have born out of loneliness.
I still don't know, that melancholy blue.
I hope I don't get uninvited by it, I will find the exit

I just wanna be happier
Not me, I'm cold
My hand reached out innumerable times,
& colourless echo.
On this ground, fell so heavier
I am, whispering my thoughts
Just wanting to be happier
I am this so much to ask for?
The breaking of my quenching heart
That I got often I strolled the cold winter streets
Even now, I still feel it

Don't know it's okay, because it's not okay
Please don't leave me alone, it hurts too much

the road that I always walk on, the light
that always shines on me
But for some reason, today I am unfamiliar some
But I became too used to it or did it fall apart
But it's heavy, this piece of metal
A grey rhinoceros coming towards me
I stand with unfeared eyes, all alone
This moment doesn't worth like me
I'm just not scared

I don't believe in the god that is certainty
Colorful words make me nervous
While grey areas put me at ease.
Here there is the grey of a million faces
where it rains, it's cold world
I stand on top of this city
May the bright days have fog
May we be together always on wet days
And to all the dark half,
I leave a heart

I just wanna be happier
Feel the heat from my hands
I need you more because, they are not warm
On this ground, fell so heavier
I am, whispering my thoughts
For in the future, if I smile
I'll say, that's how it used to be

As I softly take back the words that
are floating in the air
I fall asleep the dream, good night
